Guide for Authors

تعليمات للبحاثين حوله شروط النشر في مجلة هندسة الرافدين

AUTHORS GUIDELINES FOR MANUSCRIPT PREPARATION

Authors should submit their manuscripts electronically through the Journal website submission system to the Editorial Office.

انقر هنا لارسال بحثك الى المجلة

Website: rengj.mosuljournals.com

1: PREPARATION OF MANUSCRIPTS

Manuscripts, where appropriate, should contain these sections in the order: Title, Authors and their affiliations and emails, Abstract, Keywords, Nomenclature, Introduction, Experimental Procedure, Theory, Results and Discussion, Conclusions, Acknowledgments (if any), References, Appendix (if any).

The manuscript may consist of text, equations, symbols, figures, tables, line-drawings, and photographs. Pre-Review Manuscripts are to be typed and formatted according to AREJ Template. (MS-Word Version). The easiest and fastest way to do this, please follow these steps:

رابط لقالب المجلة
يجب وضع البحث
ضمن قالب المجلة

1. Open your manuscript
2. Open AREJ Template
3. Select the Paste Options in AREJ Tem... PasteàScroll down and select from the menu Cut, Copy, and PasteàPasting between documents wh... Style (Default).
4. Once done, all what you need after that ... and save.

2: SUBMISSION OF PAPER

Manuscripts must be submitted in Arabic and English languages and should be written according to sound grammar and proper terminology. Submission to REAJ journal proceeds totally online and authors will be guided stepwise through the creation and uploading of the manuscript files. Manuscript submission must be applied once in order to obtain only one submission ID number. More than one submission for a single manuscript can lose the chance of the manuscript consideration. As part of the manuscript, authors may choose to submit the manuscript as a single file to be used in the refereeing process. This can be a Word document (*.doc or *.docx), that can be used by referees to evaluate the manuscript. All figures and tables encouraged to be embedded and included in the main manuscript file. Manuscript must be accompanied by a Title Page including title and author(s) name and their affiliations and emails

Authors' information

⭐ Please enter the name and details of all authors (other than you) who contributed to the work reported in your manuscript. After entering each Author's details, Click on the "Add Author" button.

⭐ By beginning the manuscript submission process, you are automatically identified as the Corresponding Author.

⭐ To change the order of the authors, you can drag and drop each row by the mouse or using ⊕ and ⊖ icons.

⭐ If you change the Corresponding Author, the manuscript will be removed from your account and added to the new Corresponding Author's account when you complete the submission process.
