Education

Certificate	Specialization	Graduation year	University
B. Sc.	Agricultural economic Sciences	1989	Mosul University / College of Agriculture and Forests / Iraq
M.Sc.	Agricultural economic Sciences	2005	Mosul University / College of Agriculture / Iraq
Ph.D.	Agricultural economic Sciences	2018	Mosul University / College of Agriculture and Forests / Iraq

Areas of Interest

1. Agricultural economy
2. Economics of agricultural production
3. Agricultural marketing

Professional Qualification/ Membership/ Affiliation

1. Registered as membership of Agricultural Engineers since 1989.

Appointment

1. Appoint as Faculty membership 2005.
2. Appoint as Lecturer since 2009.

Publications

Journals

1. Measuring the contribution of structural changes to Iraqi agriculture using Factor Shar Approach for 1975-2000 (Journal of Mesopotamia Agriculture / Volume 35 Issue3) 2007).
2. Sources of productivity growth in agriculture (selected Arab countries) for the period 1980-2003 (Journal of Agriculture of Rafidain Volume 37 Issue (1) 2009)

3. The role of rural development in the fight against rural poverty in Iraq for 1990-2005 (Journal of Mesopotamia Agriculture / Volume 37 Issue 2) 2009).
4. The impact of unemployment on economic growth (Iraq and Algeria) model (Journal of Rafidain Agriculture / 39 issue2) 2011)
- 5 . Food security policies in selected developing countries (Journal of Regional Studies / Volume 8 Issue (24) 2011)
6. Economic study to show the impact of risk and its role in the marketing margin of vegetable crops in Iraq for the duration (1985-2010) (Journal of Mesopotamia Agriculture / Volume 40 Annex (4) / 2012)
7. The impact of some of the changes in fiscal policy on food security (comparative study) (Karbala University Scientific Journal/ Volume 17 Issue2) 2018)
8. The Size of States of the Gap technological in developing Countries compared to the States of advanced (Journal of Mesopotamia/ Volume 47 Issue1 2019)
9. Comparison of the change in total agricultural productivity between the groups of developing and developed countries using the Malmquist method for the period (1990-2017) (Tikrit Journal of Agricultural Sciences/ Volume 19 Issue3 2019)
10. Estimating the technical efficiency and total productivity and technological gap of the agricultural sectors in Syria, Turkey, Iran using the deap method of data envelope for the period 1980-2012 (*) comparative study (Euphrates Journal of Agricultural Sciences / Volume 4 Issue9) 2017
11. Measure the growth in total productivity and estimate the technical efficiency and technological gap of the Iraqi agricultural sector using the DEAP data envelope method for 1980-2012 (Euphrates Journal of Agricultural Sciences/ Volume IV Issue 9) 2017.

Conference Proceedings

1- Seminars and conferences: Seminars are:

1- The 35th Scientific Symposium (Arab Region in light of regional and international variables) Center for Regional Studies in cooperation with the Iraqi House of Expertise Foundation.

2-

Conferences are:

First: The first scientific conference of the agricultural economy under the theme "Agricultural economy is the pillar of agricultural development"

Mosul University / Faculty of Agriculture and Forestry / Department of Agricultural Economics for the period 3-4 December 2012 participated in two researches in this conference:

1- An economic study to show the impact of risk and its role in the marketing margin of vegetable crops in Iraq for the duration (1985-2010)

2- Measuring the impact of major structural changes in the poverty of selected Arab countries for the duration (1990-2010)

Second: The third international scientific conference of the Faculty of Basic Education / University of Maysan, Al-Manara Undersecretary for Medical Sciences (Food Security and its economic, social and political implications) the title of the research: The economic situation of water resources in Iraq (strategic perspective)

Third: The second conference of Noor Knowledge company in Azerbaijan/Turkey research entitled: The role of efficient use of water resources in achieving agricultural development and food security in Iraq for the period (1990-2017)

AL-Noor International Conference for Science and Technology

2NICST2020/August 28-29,2020/Baku,Azerbaijan

Supervisor for Students of M.Sc. and Ph.D.

Master's thesis: An economic study to show the impact of agricultural investment on the growth of the agricultural sector in Iraq for the period 1980-2000.

Doctoral Thesis: Measuring growth in total productivity and estimating the technical efficiency and technological gap of the Iraqi agricultural sector using the DEAP method for 1980-2012 (comparative study of selected regional countries).

Certificates of Appreciation

- 1- 1- Certificate of participation in the third international agricultural conference, which was held by the Faculty of Agriculture and Forestry at Mosul University and the Faculty of Agricultural Engineering at Duhok University entitled "The role of scientific research and sustainable agriculture in achieving food security.**
- 2- Certificate of participation and attendance in the first international conference of agricultural economy under the theme "Agricultural Economy pillar of agricultural development "Mosul University / Faculty of Agriculture and Forestry / Department of Agricultural Economy for 3-4 December 2012**
- 3- Certificate of participation and attendance of the second conference of Noor Knowledge company in Azerbaijan/Turkey**
- 4- Participation certificate for the third international scientific conference of the Faculty of Basic Education / University of Maysan, Al-Manara Undersecretary for Medical Sciences (Food Security and Its Economic, Social and Political Implications)**
- 5- Participation in the first international scientific conference of the field crops section for the period 24-25/9/2012**
- 6- Participation in the symposium (food fraud between ethics and science) on April 23, 2018**
- 7- Participation in the symposium (technologies or applications for modern in gardening cans) on April 16, 2018**
- 8- Participation in the symposium (soil health and how to preserve it) on 18 March 2018**
- 9- Participating in the scientific symposium (planting a tree anywhere --- the seed of hope for time) on 3 March 2019**
- 10- Participation in seminars (reality of scientific promotion instructions, textual and questions) on 2 April 2019**
- 11- Participating in seminars (how to register and research in the Iraqi Virtual Scientific Library IVSL) on 2 April 2019**
- 12- Participation in seminars (how to prepare the economic feasibility of agricultural projects) on April 17, 2019**
- 13- Participating in seminars (economic, financial and technical feasibility study for the establishment and operation of the milk cow breeding project) on 25 April 2019**

- 14- Attending the workshop (agricultural records and reporting on 19 March 2019
- 15- Attending the workshop (technical and economic capital for the proposed agricultural plan for the water harvesting project in Wadi Al-Tharthar, Nineveh governorate) on 19 March 2019
- 16- Attending an electronic workshop entitled "The mechanism for the follow-up of the fields of seed producers and the mechanism of field inspection under quarantine on 20 April 2020
- 17- Attendance at the electronic workshop entitled "Applications for storage, sharing files and benefiting from their services" on April 14, 2020
- 18- Participation in the video contact workshop (disclosure of the impact of the Corona pandemic (Covid 19) in the auditor's report on 16 April 2020.
- 19- Participating in the tagged virtual scientific workshop (Step writing subject Rview on 28 April 2020
- 20- Participation in the virtual scientific workshop tagged (comparison between zoom and meet program from a scientific and security point of view on 5/5/2020
- 21- Participating in the virtual scientific workshop tagged (toxic plants--- named and the risks of circulation.
- 22- Participating in the tagged workshop (stages of content design for e-learning) on 5/5/2020
- 23- Participating in the virtual scientific workshop tagged (the impact of the Corona epidemic in food security) on 23 April 2020
- 24- Participation in the virtual scientific workshop tagged (Coved Pandemic-19 and its impact on food and agriculture on 20 April 2020
- 25- Participation in the tagged workshop (search methods on internet search engines) on 21 April 2020

Other Activities

- 1- Participation in scientific or educational activities of civil society institutions (primary or secondary schools, agricultural associations, trade unions, ...
Contribute to solving a problem entitled:
Increase in the amount of grain waste during seeding, which ranges from 35-40 kg/dunum (Department of Agriculture / Nineveh Governorate)
- 2- Educational or training courses inside and outside higher education institutions (private universities, private companies, ...
Courses within higher education are:
 - 1- Participating in the course (modern technology course in gardening cans) on 23-27/12/2018
 - 2- Participating in the course held by the Arabic Language Department on 18-26/3/2018
 - 3- Participating in the electronic training course tagged (e-learning applications --- video lectures and electronic exams / Baghdad University on 23 April 2020
 - 4- Participating in the Computer Efficiency Course / Mosul University 17/7/2008
 5. Teaching methods course on 28 September 2008
