

Curriculum vitae

Nawaf Gazi Abuud Qasim AL-Tammeer
 Department of Animal Production, College of Agriculture and Forestry,
 University of Mosul, Mosul, Ninawa, Iraq

nawaf.gazi@uomosul.edu.iq

Scopus ID or ORCID ID or Research ID or Publons ID

Education

Certificate	Specialization	Graduation year	University
B. Sc.	Agricultural Sciences	1990	Mosul University / College of Agriculture and Forests / Iraq
M.Sc.	Animal Resources Science	2010	Mosul University / College of Agriculture and Forests / Iraq
Ph.D.	Animal Resources Science	2019	Mosul University / College of Agriculture and Forests / Iraq

Areas of Interest

- 1- The specialty in which the teacher or academic works at the present time / poultry management.
- 2- The specialization that the teacher is interested in and follows up on / poultry feeding, hatchery management.
- 3- Other disciplines close to the teaching or academic specialization/principles of animal production, poultry physiology.

Professional Qualification/ Membership/ Affiliation

- 1- A member of the Iraqi Agricultural Engineers Association since 1990.
- 2- Scientific and practical experience in breeding and producing poultry, broilers and laying hens by entering courses in Bulgaria and scientific and practical experience in raising quails through work and supervision in the fields of the College of Agriculture and Forestry and entering training courses in the College of Veterinary Medicine and entering training and practical courses in fields and feed factories several.

Appointment

- 1- A faculty member since 2010.
- 2- She holds the title of assistant teacher in 2010.
- 3- She holds the title of teacher in 2019.

Publications

Journals

- 1- Younes, Duraid Thanoun, Nawaf Ghazi Abboud Al-Tami (2019). The effect of different densities and two levels of protein with the addition of a mixture of probiotics and enzymes on the productive characteristics of quail birds. Al-Rafidain Agriculture Journal, Volume (47), Additional Issue (1) 2019 Proceedings of the Third International Agricultural Conference.
- 2- Younes, Duraid Thanoun, Nawaf Ghazi Abboud Al-Tami (2020) Effect of density, ration protein level and probiotic mixture with enzymes on the productive performance of brood quail flocks. Kirkuk University Journal of Agricultural Sciences. Volume (11), Issue (4).
- 3- Duraid Thanoun Younes and Nawaf Ghazi Abboud. (2018). The effect of substituting raw and germinated white corn instead of yellow corn on productive performance and some biochemical characteristics of broiler chickens. Journal of Agriculture Al-Rafidain, Volume (46), Issue (1).
- 4- Salem, M. S., Khulel, R. M., & Al-Tamee, N. G. (2023, April). Effect of Feeding Broilers with Three Different Regimens on Performance and Carcass Characteristics. In IOP Conference Series: Earth and Environmental Science (Vol. 1158, No. 5, p. 052024). IOP Publishing.
- 5- KHALEEL, R. M., ALTAMI, N. G., & ABDUL-BAKI, T. M.(2022) Effect of methionine addition to soybean meal instead of protein concentrate in the finisher ration of broiler. 88.
- 6- Al Khateeb, F. S., Abdulbaqi, T. M., & Abood, N. K. Effect using quantity feed restriction program on some productivity and egg traits of Japanese quail.
- 7- Al-Hiyali, L. A. H., & Altamee, N. G. A. (2023, April). Effect of Broiler Diet Colour on Production Characteristics and Economic Parameters. In IOP Conference Series: Earth and Environmental Science (Vol. 1158, No. 5, p. 052011). IOP Publishing.
- 8- AL-hiyali L. A.& N, G. A. Altamee (2022). Effect of color and shape of broiler ration on productive traits and carcass traits. al-Utroha:Scientific Public Court.7: 71:88.

Conference Proceedings

- 1- Participation in scientific symposiums (30) seminars.
- 2- Participation in (10) training courses.
- 3- Participation in 100 workshops.
- 4- Participation in scientific conferences (5) inside Iraq, and two (2) conferences outside Iraq.

Supervisor for Students of M.Sc. and Ph.D.

- 1- Supervision of (1) master's student.

Certificates of Appreciation

1. Participation and attendance at the Third Scientific Conference on Animal Resources Sciences in the Literary Forum, University of Mosul, for the period from 13-14/11/2012.
2. Participation in the third international conference in Cairo from 14-16/7/2020 of the Palm Agricultural Environment Organization, according to the organization's book No. 34 on 3/5/2020. And the participation certificate dated 7/15/2020.
3. Participation as a researcher in the third international conference of the College of Agriculture and Forestry and the University of Duhok 2019 at the University of Duhok.

4. Participant as a researcher and member of the Preparatory Committee for the Fourth International Agricultural Conference of the College of Agriculture and Forestry 2023.
5. Participant as a researcher in the Al-Qasim Green University Conference 2022.
6. A resident and participant in research evaluation for several journals inside and outside Iraq and a member of the editorial board of an Egyptian journal.
7. Attending the Al-Muthanna University conference for scholarships and students outside Iraq to develop the educational process and ways to advance the educational process in Iraqi universities by taking advantage of scholarship students to study outside Iraq.

Other Activities

- 1- Conducting a scientific study, in cooperation with the Nineveh Directorate of Agriculture, to address the lack of protein sources in poultry feed using the locally produced sesame meal or leftovers.
- 2- Conducting a scientific study to solve the problem of iron deficiency in the soil and its impact on the physiological state of Awassi rams.
- 3- Participant in the workshop of modern techniques in poultry feeding in partnership with the French Humanitarian Generation Triangle.
- 4- Participation in a workshop on the process of halal slaughter of animals.
