Academic achievement

| Certificate | Specialization | Graduation year | University |
|-------------|-------------------|-----------------|------------------------|
| B. Sc. | Animal Resources | 2005 | Mosul university, Iraq |
| M.Sc. | Animal Resources | 2012 | Mosul university, Iraq |
| Ph.D. | Animal Production | 2021 | Mosul university, Iraq |

Areas of Interest

- Poultry nutrition
- Poultry management
- Poultry production

Scientific publications

- 1- Study The Effect Of Acclimation And Licorice Extract And Sodium Bicarbonate To Minimize The Negative Effect Of Heat Stress On Sum Productive Traits Of Broiler's Chicks
- 2- Study The Effect Of Acclimation And Licorice Extract And Sodium Bicarbonate To Minimize The Negative Effect Of Heat Stress On Sum Blood Physiological Traits Of Broiler's Chicks
- 3- Effect Of Different Levels Of Licorice Roots Powder To Diets On Productive Performance And Some Blood Traits For Quail
- 4- Effect Of Adding Phytase Enzyme To The Diets On Productive Performance And Fertility For Quail
- 5- Effect Of Adding Thymus Vulgaris Powder To Ration On Reproductive Performance Of Quail
- 6- Effect Of Replacement Different Levels Of Sesame Meal As A Protein Source To Replace Soybean Meal On The Productive Performance And Reproductive Of Laying Quail
- 7- Effect Replacement Of Soybean Meal With The Sesame Meal As A Protein Source And Adding Of Phytase Enzyme To The Diet On Production Performance And Some Physiological Blood Indicators Of Quail Bird In The Growth Stage
