Certificate	Specialization	Graduation year	University
B. Sc.	Animal Resources	2008	Mosul university, Iraq
M.Sc.	Animal Resources	2013	Mosul university, Iraq
Ph.D.	Animal Production	2022	Mosul university, Iraq

Areas of Interest

- Animal physiology
- Animal Nutrition

Journals

- 1- تأثير استخدام زيت الثوم في إنتاج الحليب ومكوناته وبعض صفات الدم للنعاج العواسية
- 2- Effect of injection Awassi ewes with different levels of vitamin E and selenium on some blood parameters and milk yield and compositions
- 3- Effect of garlic oil and vitamin E on productive performance and some hematological and biochemical blood parameters of Awassi male and female lambs
- 4- EFFECT OF VITAMIN E AND SELENIUM ON BODY WEIGHT OF MERIZ DOES AND IT'S KIDS AND MILK PRODUCTION AND CONSTITUENTS
- 5- Effect of Using Different Levels of EPA, DHA on Productive and Physiological Performance in Awassi Ewes.
- 6- Impact of Melatonin and GnRH on Puberty and some Physiological Parameters of Local Female Goats.
- 7- Effect of injecting different levels of iron and vitamin b12 on milk yield and composition and some blood characteristics of awassi ewes.

- 8- **EFFECT OF IRON AND VITAMIN B12 INJECTION ON BODY MEASUREMENTS AND SOME BLOOD CHARACTERISTICS OF AWASSI LAMBS**
- 9- **Effect of Different Level of Iron and Vitamin B12 Injection on Production Performance and some Physiological Characteristics of Blood in Awassi Lamb**
- 10- **Effect Of Vitamin E And Selenium Injection On Some Physiological And Biochemical Parameters And Body Weights In Awassi Lambs**
