

## Curriculum vitae

### Dr. Abdul jabbar khalil Ibrahim

Department of plant protection, College of Agriculture and Forestry,  
University of Mosul, Mosul 41002, Ninawa, Iraq

[jabar\\_obadi@uomosul.edu.iq](mailto:jabar_obadi@uomosul.edu.iq)

Scopus ID or ORCID ID or **Research jabarobadi** or Publons ID

### Education

Certificate	Specialization	Graduation year	University
B. Sc.	Agricultural plant protection Sciences	1993	Mosul University / College of Agriculture and Forests / Iraq
M.Sc.	Agricultural insects	2001	Mosul University / College of Agriculture and Forests Agriculture Iraq
Ph.D.	Specific Field or Area	2006	University of mosul/College of Agriculture and Forests

### Areas of Interest

1. plant protection  
Insects

### Professional Qualification/ Membership/ Affiliation

1. Registered as membership of Agricultural Engineers since 1996.

### Appointment

1. Appoint as Faculty membership 2001.
2. Appoint as Lecturer since 2001. assistant professor 2011

### Publications

#### Journals

- 1-The effect of solvent type and insecticide on the relative effectiveness of some pesticides on domestic flies. Tikrit Agricultural University Journal, Volume 3, Issue 3, Year 2002
- 2-The effect of oil, solvent and insect phase in activating some pesticides on domestic flies. Basic Education Journal 35 Issue 3 of 2007 Page 13

- 1- The biological effect of the sub-lethal concentration of some pesticides on the larvae and integuments of domestic flies, Al-Technical Journal, Volume 19, Issue 3, 2007, P.94.  
and some environmental factors on the area and percentage of damage caused by the embroidered bug infestation in the city of Mosul, Iraq, Al-Rafidain Agriculture Journal, Volume 35, Issue 4, 2007, pg 116.
- 5- The effect of the pear variety, orientation and some environmental factors on the seasonal activity of the embroidered pear bugs, accepted in the Fourth Agricultural Scientific Conference, Tikrit University.
- 6- The fatal, attracting and repellent effect of leaf extracts of some varieties of pears on the embroidered pear bugs, accepted in the Fourth Agricultural Scientific Conference, University of Tikrit.
- 7- The effect of filament density of some varieties of pears on their sensitivity to infection with the embroidered pear bug, the Eighth Scientific Conference of the African Socialist Group (Minya - Egypt) 27-31-October / 2007 (Summary)
- 8- The effect of some phenotypic and physiological characteristics of some varieties of pears on the life of the embroidered pear bugs. The First Agricultural Scientific Conference (Aleppo - Syria) 13-15 / 10/2008 (Summary)
- 9- The comparative seasonal activity of the two types of wrapping the leaves of red and green pears on apple varieties Al-Rafidain Agriculture Journal 02-39-2011
- 10- Environmental study and sensitivity of some apricot varieties to infestation by an insect from apricot leaves, second scientific conference on the height of life 16-17 November 2011
- 11- An environmental study and sensitivity of some apple varieties to the two types of aphids, *Dysaphis reaumuri* and *Dysaphis pyri*, the second conference of the Integrated Management of Agricultural Pests, 26-28 April 2011 (Abstract)
- 12- The effect of the pear variety, the trend and some environmental factors on the eggs of the embroidered pear bug insect. The Arab Journal of Plant Protection 2/27/2009
- 13- The effect of capillary density of some varieties of pears on their sensitivity to pear bug infestation The Arab Journal of Plant Protection 2/27/2009
- 14- The effect of some endogenous compounds extracted from the leaves of some varieties of pears on their sensitivity to infestation by the embroidered pear bug insect. Al-Rafidain Cultivation Journal 2/38/2010
- 15- The effect of some phenotypic and physiological characteristics of some varieties of pears on the life of the embroidered pear bug. Al-Rafidain Agriculture Journal 4/38/2010
- 16- The role of some secondary compounds in the sensitivity of some varieties of pears to the insect of the embroidered pear bugs, Al-Rafidain Agriculture Journal 4/37/2009

- 17- The effect of the lethal concentration of some chemical compounds extracted from the leaves of some varieties of pears in the embroidered pear bug insect Tikrit Journal of Agricultural Sciences 10-1-1010
- 18- The effect of the stomatal density and water content of some varieties of pears on their sensitivity to infestation by the embroidered pear bug insect Tikrit Journal of Pure Sciences 1-16-2011
- 19- The attractant, repellent and killing effect of extracts of some plants in the southern cowpea beetle  
Tikrit University Journal of Agricultural Sciences 11-2-2011 -204-209 pages
- 20- The bio-effect of water extracts of some ornamental plants in the goog bug insect Diyala Journal of Agricultural Sciences Volume 3 Issue 1 year 2011 - 116-133 pages
- 21- The effect of concentrations and wound on the percentage of attraction and expulsion of aqueous extracts of some plants in the larvae of the Indian flour moth / Al-Rafidain Agriculture Journal Volume 40 Issue 3 Year 2012
- 22- The sensitivity of some peach varieties to an insect from peach leaf curl / Al-Rafidain Agriculture Journal Volume 4 Issue 4 Year 2012
- 23- Environmental study and sensitivity of some apple varieties to the two types of aphids, *Dysaphis pyri* and *Dysaphis reaumuri* / Al-Rafidain Cultivation Journal, Volume 41, Issue 2, 2013
- 24- The effect of using some concentrations of citrus oils in controlling some warehouse insects, Tikrit University Journal of Agricultural Sciences Al-Majad 18 The Seventh and First International Scientific Conference on Agricultural Research 10-11 April 2018, 1137-1144 p.
- 25- Environmental study and sensitivity of some varieties of pears to the two types of aphids, *Dysaphis pyri* and *Dysaphis reaumuri* / Al-Rafidain Cultivation Journal, Volume 46, Issue 4, 2018
- 26- Testing the Effectiveness of Fenugreek Seeds Extracts In Some Store Insects -  
,Biochemical and cellular archives ,vol 20 no Issue2,October 2020
- 27- Study the effect of some natural insecticides on fenugreek insect-  
Plant Archives vol 20 ,no1,specil issue,may 2020

### **Conference Proceedings**

**1-The First Scientific Conference of the College of Basic Education - Iraq (May / 2007)**

**The First Scientific Conference of Life Sciences - Iraq (Sep / 2007)**

**The Fourth Scientific Agricultural Conference of Tikrit University - Iraq (2007)**

**The Eighth Scientific Conference of the Group of African Socialist Countries (Egypt / El Mina) 27-31 / October / 2007**

**The First Scientific Agricultural Conference (Aleppo, Syria) 13-15 / 10/2008**

**Scientific Conference on Integrated Management of Agricultural Pests, 26-28 April 2011**

**The first scientific conference on plant protection, November 29-30, 2010**

The second scientific conference of the life sciences, November 16-17, 2011  
 Psychiatry Conference of the Faculty of Medicine 9-10 -2013  
 The sixth scientific conference of the Faculty of Basic Education 7-8-2013  
 The Seventh and First International Scientific Conference on Agricultural Research  
 - Tikrit University for Agricultural Sciences 10-11 April 2018  
 Arab Beekeepers Union Conference from 7-9 October of 2019, Erbil - Kurdistan -  
 Iraq  
 Participation in the Inoxera Inn virtual summit for 2020 for the education sector in  
 the Middle East - Sunday 4/19/2020  
 The first virtual scientific conference of the Forestry Department on 6/23/2020  
 Kirkuk University

#### **Supervisor for Students of M.Sc. and Ph.D.**

Master theses and PhD theses

Master / bio-effect of some pesticides on *Musca domestica* L. / Specialization in plant  
 protection sciences / year 2001

PhD / Mechanism of resistance of some varieties of pears to the insect of *Stephanitis  
 pyri* / Plant Protection Science / Entomology / Year 2006

#### **Certificates of Appreciation**

- 1- Participate in department committees such as the inventory committee.
  - 2- A member of the examination committee of the College of Agriculture and Forestry.
  - 3- Member of the Arab Journal of Plant Protection.
  - 4- Helping students in the statistical analysis of pesticides and testing their effects and effectiveness
  - 5- Head of the Procurement Committee at the College of Agriculture
  - 6- A member of the Agricultural Engineers Syndicate
  - 7- Supervisor of the counseling committee for the first phase of the Prevention Department
  - 8- Member of the committee discussing graduation projects for the fourth stage of the Prevention Department
  - 9- A member of the committee discussing the fourth stage seminars of the prevention department
  - 10- Member of the summer implementation committee for the third phase of the Prevention and Field Practice Department
  - 11- Member of the enumeration and census committees
  - 12- Participation in the calculator courses at the Electronic Calculator Center
  - 13- Member of the Scientific Committee of the Plant Protection Department at the College of Agriculture for the year 2012
  - 14- Evaluating a number of master's and doctoral dissertations
  - 15- A discussion mem
- 1- From the Dean of the College of Agriculture and Forestry, Prof. Dr.. Muwaffaq Mahmoud Al-Mashhadani, Issue 9/43/1546 on 3/31/2008.
  - 2- From the Dean of the College of Agriculture and Forestry, Prof. Dr.. Mwafak Mahmoud Al-Mashhadani, Issue 9/43/1537, on 21/7/2008.
  - 3- From the Dean of the College of Agriculture and Forestry, Prof. Dr.. Mwafak Mahmoud Al-Mashhadani, Issue 9/43/5483, on 12/10/2008.
  - 4- Certificate of Appreciation from the President of the University of Mosul and the Dean of the College of Basic Education to participate in the first annual conference of the College of Basic Education.

- 5- Certificate of Appreciation from the Head of the Life Sciences Department at the College of Basic Education to participate in the First Scientific Conference of the Life Sciences of the College of Education.**
- 6- Certificate of Appreciation and participation in the award of the Honorable Vice President Tariq Al-Hashemi**
- 7- A certificate of appreciation from the President of the University of Mosul and the Dean of the College of Agriculture to participate in the first scientific conference of the College of Agriculture and Forestry 2010**
- 8- Certificate of Appreciation from the Dean of the College of Medicine to participate in the Psychiatry Conference on October 9-10, 2013**
- 9 - Participation in the Second International Sixth Scientific Conference in the College of Basic Education from 7-8 of 2013**
- 10- A certificate of appreciation from the Dean of the College of Basic Education to participate in the Sixth Scientific Conference on 7-8 of 2013**
- 11- Participation in the second scientific conference of the Department of Life Sciences, Faculty of Science, from 16-17-2011**
- 12- Participation in the Plants and Their Relationship to Health Course of the Life Sciences Department of the College of Education for Girls 21-23 October 2013**
- 13- Thanks from the Minister of Higher Education and Scientific Research Issue 9/10/6682 on 5/19/2020**
- 14- Thanks from the President of the University of Mosul, Issue 9/10/8770, on 7/29/2020**
- 15- Thanks from the Dean of the College of Agriculture and Forestry, Issue 3/9/2077, on 3/19/2020ber for master's theses an Other Activities**
