Certificate	Specialization	Graduation Year	University
B. Sc.	Sciences of Animal Resources	2001	University of Mosul College of Agriculture and Forestry
M. Sc.	Animal Resources	2006	University of Mosul College of Agriculture and Forestry

### Areas of Interest

- 1- Animal Production.
- 2- Poultry Nutrition.

### Professional Qualification/ Membership/ Affiliation

- 1-Researcher in Poultry Nutrition.

### Appointment

- 1- Assistant Lecturer 2005.
- 2- Lecturer 2012.

### Publications

#### Journals

- 1-AL-Azzawi, Yaser Ghanim Salih, Raghad Nasser AL-Fleeh and Mohammad Muhmood AL-Shuraby (2011). Effect of use flaxseed meal that treated by soaked or boiling in water on some productive and physiological characteristics for two hybrid broiler. Journal of Tikrit University for Agriculture Science. 11(4) : 355-372.
- 2-AL-Azzawi, Yaser Ghanim Salih (2012). Effect of replacement black seed meal for soybean meal on some productive characteristics of broiler chicks. Journal of Kirkuk University for Agricultural Science. 3(1) : 44-55.
- 3-AL-Azzawi, Yaser Ghanim Salih, Nawaf Ghazi Abood and Esraa Mobasher Towfeq(2013). Effects of adding active bakery's yeast *Saccharomyces cerevisiae* in the diet of the productive performance of the local egg quail. Mesopotamia Journal of Agriculture. 41(4) : 146-153.

- 4-Kesab, Yaser Ghanim Salih**, Mohammad and Thair Mohammed Abul-Baqi Ahmad Al-Kado (2014). Effect of different levels of metabolism energy on some productive characteristics for laying quail bird. *Kufa Journal for Agriculture Science*. 6(1) : 195-215.
- 5-Kesab, Yaser Ghanim Salih** (2018). Effect of physical diet form on productive performance of grower quail. *Proceedings of the Third Agricultural Scientific Conference of the Faculty of Agriculture-Karbala University-5-6 March 2018*-published in the *Karbala Journal of Agricultural Sciences*. 5(5): 461-482.
- 6-Kesab, Yaser Ghanim Salih**, and Mohammad Muhmood Khaleel AL-Shuraby (2018). Effect of replacement different levels of flaxseed meal substitute soybean meal on some productive performance in broiler:1-Untreated flaxseed meal. 7- *Proceedings of the Third Agricultural Scientific Conference of the Faculty of Agriculture-Karbala University-5-6 March 2018*-published in the *Karbala Journal of Agricultural Sciences*. 5(5): 483-502.
- 7-Kesab, Yaser Ghanim**, Raghad Nasser Waleed and Mohammad Muhmood Khaleel (2019). Effect of using dried bread waste on nutrition of two strains of Japanese quail during growth and eggs production. *Minia Journal of Agricultural Research and Development*. 39(2): 349-377.
- 8-Kesab, Yaser Ghanim**, Mohammad Muhmood Khaleel and Raghad Nasser Waleed (2020). Effect of using millet seeds on nutrition of two strains of Japanese quail during growth and eggs production stages.Pp: 270-288. *The 3rd International Conference of (Environmental and Agricultural Status in the Middle East) 14 – 16 July 2020, Cairo-Egypt*. Palmtree Environmental and Agricultural Organization, Baghdad, Iraq.
- 9-Kesab, Yaser Ghanim Salih**, Raghad Naseer Waleed AL-Flayyih and Nawaf Gazi Abuud AL-Tamee (2022). The use of millet seeds on poultry nutrition : A review. *Journal of Agricultural, Environmental and Veterinary Sciences*. 6(4): 53-65.
- 10-Al –Flayyih**, Raghad Naseer Waleed and **Yaser Ghanim Salih Kesab** (2023). Effect of supplementation multi-enzyme on productive performance of two strains of Japanese quail. *International Journal of Veterinary Sciences and Animal Husbandry*. 8(1): 123-132.
- 11-Kesab, Yaser Ghanim**, Mohammed Mahmood Khaleel and Raghad Nasser AL-Flayyih (2023). Effect of seeds, oil, and black seed meal on Japanese quail's productive performance. *Latin American Journal of Biotechnology and Life Sciences*. 8(1) : 10.21931/RB/2023.08.01.83
- 12-Kesab, Yaser Ghanim**, Raghad Nasser Waleed and Mohammad Mahmood Khaleel (2023). Effect of different levels of metabolizing energy on productive performance of two grower quail strains. *Archives of Razi Institute*. 78(2): 659-666.

#### **Conference Proceedings, Workshops**

- 1-Hydroponic cultivation workshop for cultured barley. College of Agriculture and Forestry, University of Mosul. 8-5-2023.
- 2-The Third Agricultural Scientific Conference of the College of Agriculture / University of Karbala, held on 3-6/5/2018 Kasab, Yaser Ghanim Salih (2018). Effect of physical diet form on productive performance of grower quail. Published in *Karbala Journal of Agricultural Sciences*. 5(5): 461-482.
- Kasab, Yasser Ghanem Saleh and Mohammad Muhmood Khaleel AL-Shuraby (2018). Effect of replacement different levels of flaxseed meal substitute soybean meal

on some productive performance in broiler:1-Untreated flaxseed meal. Published  
.in Karbala Journal of Agricultural Sciences. 5(5): 483-502  
3-The First Conference for Applied Research and Patents / Middle Technical University /  
College of Health and Medical Technologies / Baghdad / Iraq, held on 17-18/4/2018  
Mohammad Muhmood Khaleel AL-Shuraby and Yaser Ghanim Salih Kasab. (2018)  
Effect of substituting *Nigella sativa* meal instead of soybean meal on some productive  
performance on local rabbit fattening rations. (Winning third place / research axis).

#### **Appreciation certificates**

- 1-Obtained the third place in the country in the award for the outstanding in the field of  
.animal production for the year 2000-2001.
- 2- Obtained third place in the first conference for applied research and patents/research  
axis/Central Technical University/College of Health and Medical Technologies / Baghdad  
/ Iraq, held on 17-18/4/ 2018. Through research, Effect of substituting *Nigella sativa* meal  
instead of soybean meal on some productive performance on local rabbit fattening  
rations. Mohammad Muhmood Khaleel AL-Shuraby and Yasser Ghanim Salih Kesab.

#### **Other activities**

- 1- Giving lectures at the Directorate of Agriculture, Nineveh Governorate.
- 2- Giving lectures at the Agricultural Technical College / Northern Technical University.
