

## Curriculum vitae

**A.L. Shaymaa Ghanim Dawood Al-taie**  
**Department of Soil Science and Water Resources, College of**  
**Agriculture and Forestry, University of Mosul, Mosul 41002,**  
**Ninawa, Iraq**  
**Shaymiaa.Al-taie1983@uomosul.edu.iq**

### Education

Certificate	Specialization	Graduation year	University
B. Sc.	Agricultural Sciences	2007	Mosul University / College of Agriculture and Forests / Iraq
M.Sc.	Agricultural Sciences	2021	Mosul University / College of Agriculture and Forests / Iraq

### Areas of Interest

1. Soil Science and Water Resources / Remote Sensing.
2. Soil science and water resources / remote sensing, survey and practical management).
3. The specialization that the lecture cares about and follows up on (land management and soil morphology).

### Professional Qualification/ Membership/ Affiliation

- 1- Lecturer in the central laboratory in the College of Agriculture and Forestry since 2012.
- 2- A faculty member in the Department of Soil Sciences and Water Materials 2021.

### Appointment

1. An employee at the College of Agriculture and Forestry for a year 2012.

### Publications

#### Journals

- 1- land degradation assessment of soils in different land use of southeast Nineveh Governorate .Publisher :IOP Publishing Ltd.

### Conference Proceedings

- 1- The Fourth Agricultural Conference of the College of Agriculture / University of Mosul / for the period from 10-11 October 2023.
- 2- Participation in the Ninth International Conference on Geochemistry, which was held in Turkey, Aydin 10-20/10/2022
- 3- Participation in the Sustainability Festival that was held at the University of Mosul 13/14/5/2023.

**Supervisor for Students of M.Sc. and Ph.D.**

### **Certificates of Appreciation**

- 1- Obtained participation in the training course tagged (Modern Agricultural Mechanization and Arduino Uses in Smart Agriculture) held by the College of Agriculture and Forestry in cooperation with the Department of Agricultural Machinery and Machinery at the College of Agriculture and Forestry, University of Mosul, for the period from 5-9/12/2021.
- 2- Obtained participation in the training course in the continuing education course tagged (effective plant compounds - extraction - diagnosis - areas of use), which was set up by the Department of Life Sciences at the College of Education for Pure Sciences / University of Mosul for the period from 15-18/2021.
- 3- He holds a certificate of participation in the work of the continuing education course (environmental disasters and the importance of first aid) that was set up by the Environmental Research Center in cooperation with the College of Nursing / University of Mosul for the period from 14-16 March 2022.
