

Curriculum vitae

Muhammad Iyad Harbawi Abdul Rahman Al-Hamdani
Department of Soil and Water Resources Sciences, College of
Agriculture and Forestry, University of Mosul, Mosul 41002, Nineveh,
Iraq
University email harbawee79@uomosul.edu.iq
iD: <https://orcid.org/0009-0008-9885-5176>

Education

Areas of Interest

Certificate	Specialization	Graduation year	University
B. Sc.	Department of Soil and Water Resources Sciences	2006	Mosul University / College of Agriculture and Forests / Iraq
M.Sc.	Department of Soil and Water Resources Sciences	2014	Mosul University / College of Agriculture and Forests / Iraq
Ph.D.	PhD student in the research phase		

1. The specialization in which the teacher or academic works at the present time (Soil Sciences and Water Resources / Soil Microbiology)
2. The specialization that the teacher is interested in and pursues (Soil Sciences and Water Resources / Principles of Microbiology)
3. Other majors close to the teaching or academic specialization (Soil Sciences and Water Resources / Soil Organic Matter)

Professional Qualification/ Membership/ Affiliation

1. Member of the Purchasing Committee for the College Extension for the period 3/4/2007 to 3/7/2007 with letters of thanks from the Dean
2. Member of the Quality Assurance Committee in the department for the period 2017 until now
3. Member of the examination committee in the college for the academic year 2017-2018
4. Member of the College Examination Committee for the academic year 2019-2020
5. Member of the Media Committee in the college for the period 2018 until now
6. Member of the annual evaluation audit committee 2018-2019
7. Member of the Courses System Committee 2018-2019
8. Supervising graduation projects and seminars for fourth-stage students on a regular and annual basis

Appointment

1. Appointment as an employee with a bachelor's degree on 18/3/2007
2. A faculty member since 2014
3. Holds the title of assistant teacher since 16/6/2018
4. Currently a PhD student in the research stage

Publications

Journals

1. The effect of fungal inoculation on the activity of alkaline phosphatase enzyme in sterile soil. Tikrit University Journal of Agricultural Sciences - a special issue of the proceedings of the third specialized conference / plant production for the period 26-27/3/2014. ISSN.1813-1646
2. The effect of fertilizing using *Trichoderma harzianum* and cow manure on releasing CO₂ in two soils with different textures in north of Iraq.(2021) Asian Journal of Water, Environment and Pollution, Vol. 18, No. 3 (2021), pp. 117–122. DOI 10.3233/AJW210036

Certificates of Appreciation

1. Attending the third specialized conference on plant production at the College of Agriculture / University of Tikrit for the period 26-27/3/2014
2. Participation in the symposium of the Soil Department tagged (soil health and how to preserve it), which was held on March 08, 2018
3. Attending the Third International Scientific Conference for Agricultural Sciences (Agricultural Development in Light of Environment and Water Challenges) at the College of Agriculture / University of Basra for the period 27-28 March 2019.
4. A certificate of participation from the College of Agriculture and Forestry / University of Mosul for attending and participating in the scientific symposium tagged (planting a tree anywhere ... a seed of hope for the time), which was held on 3/3/2019
5. Attendance and participation in the third Al-Noor International Conference on Science and Technology held in Muscat - Oman for the period 11-12/2021
6. A certificate of participation in the electronic workshop tagged (Digital Communications: Its Origin and Development) held on 9/7/2021
7. A certificate of participation from the Academic Researchers Platform - Dispatch for my participation in the scientific lecture tagged (How do we guarantee acceptance of publication in an international scientific journal) held on September 10, 2021.
8. A certificate of participation from the platform of academic researchers - dispatch for my participation in the scientific lecture tagged (Introduction to Statistical Analysis - SPSS Program) held on September 30, 2021
9. Participation in the Second International Scientific Conference on Life Sciences and Pure Sciences on 19-20/2022
10. Participation in the electronic training workshop tagged (Ways to Develop Scientific Research) organized by the Scientific Supervision and Evaluation Authority on 3/17/2023
