

Published scientific research by members of the faculty of the Department of Management Information Systems

In universal containers

College of Administration and Economics - University of Mosul

Name of the journal or conference, year of publication	Research Title	Teaching name j	number
2023 Studies in Big Data	Adopting Smart Systems and Its Impact on Reducing Work Exhaustion: An Exploratory Study of the Opinions of a Sample of Workers in the General Firm for Northern Cement	Mr. Dr. Thaeer Ahmed Saadoun Quail	2
2022 Studies in Computational Intelligence	An Investigation of the Factors Affecting Towards Adoption of Digital Wallets in Iraq		
Name of the journal or conference, year of publication	Research Title	Teaching name j	number
2022 Journal of System and Management Sciences	The Effect of Information Overload, and Social Media Fatigue on Online Consumers Purchasing Decisions: The Mediating Role of Technostress and Information Anxiety	A.M.D. Bassam Abdel The Most Gracious Youssef	5
2023 International Journal of Innovation and Technology Management	Assessment of the Acceptance of Internet of Things Technology in the Health Field Using TAM2: A Survey Study of Medical Staff in Nineveh Governorate		
2022 VINE Journal of Information and Knowledge Management Systems	Factors affecting online knowledge sharing and its effect on academic performance		

2022	International Journal of Enterprise Information Systems	The Impact of Information Technology Infrastructure Flexibility and Behavioral Biases on Investment Decision Making		
2023	Journal of Business Economics for Applied Research	The Effect of the Subjective Norm, Image and Job Relevance on the TAM Technology Acceptance Model for the Adoption of Internet of Things Technology in Health Care		
	Name of the journal or conference, year of publication	Research Title	Teaching name j	number
2023	Journal of Science and Technology Policy Management	User trends of electronic payment systems adoption in developing countries: an empirical analysis	Mr. Dr. Ali Abdel Fattah Al-Shaher	10
2023	Studies in Big Data	Adopting Smart Systems and Its Impact on Reducing Work Exhaustion: An Exploratory Study of the Opinions of a Sample of Workers in the General Firm for Northern Cement		
2023	VINE Journal of Information and Knowledge Management Systems	The impact of adoption of digital innovation dynamics in reduce work exhaustion in SMEs in developing countries: the case of cloud of things services		
2022	Ingenierie des Systemes d'Information	The Effect of Using Artificial Intelligence on Learning Performance in Iraq: The Dual Factor Theory Perspective		
2022	Studies in Computational Intelligence	An Investigation of the Factors Affecting Towards Adoption of Digital Wallets in Iraq		

2022	International Journal of Knowledge Management Studies	A multi-dimensional approach for accepting and using e-learning cloud: a developing country's perspective		
2022	International Journal of Innovation and Learning	Understanding the role of social media in informal learning by researchers in Malaysia higher education		
2021	Social Network Analysis and Mining	A model of influencing factors of online social networks for informal learning in research institutes		
2021	Transforming Government: People, Process and Policy	IT capabilities as a fundamental of electronic government system success in developing countries from users perspectives		
2020	International Journal of Information Science and Management	Towards Building of the Information Society Based on Its Components: A Case Study at the College of Administration and Economics/University of Mosul		
	<b>Name of the journal or conference, year of publication</b>	<b>Research Title</b>	<b>Teaching name j</b>	<b>number</b>
2020	International Journal of Information Science and Management	Towards Building of the Information Society Based on Its Components: A Case Study at the College of Administration and Economics/University of Mosul	Prof. Dr. Muhammad Mustafa Husain Hasan	2
2022	Int. J.Knowledge Management Studies	A multi-dimensional approach for accepting and using e-learning cloud: a developing country's perspective		

Name of the journal or conference, year of publication	Research Title	Teaching name j	number
2018	Journal of Medicine Systems	"Real-Time Fault-Tolerant mHealth System: Comprehensive Review of Healthcare Services, Opens Issues, Challenges and Methodology Aspects	M.D. Muhammad Asim Mohammed
2019	Journal of medical systems	"Mobile-based patient monitoring systems: A Prioritization framework using multi-criteria decision-making techniques	
2019	IEEE Access	"Fault-tolerant mHealth framework in the context of IoT-based real-time wearable health data sensors.",7 (2019): 50052-50080.	
2016	International Journal of Advanced Research in Engineering & Management	Factors Affecting Customer Loyalty Towards Yes Company in Malaysia, International Journal of Advanced Research in Engineering & Management (IJAREM) 2016.	
2017	International Journal of Multimedia & Its Applications	Determining Factors that Influence Students' Intention to Adopt Mobile Blackboard: A Case Study At Petra University, Jordan, International Journal of Multimedia & Its Applications (IJMA),	
2020	Health and Technology	A systematic review into the assessment of medical apps: Motivations, challenges, recommendations and methodological aspect, Health and Technology,	
2021	Journal of Science and Technology Policy Management	User trends of electronic payment systems adoption in developing countries: an empirical analysis. Journal of Science and Technology Policy Management. (2021).	17

2021	Neural Computing and Applications	A new standardization and selection framework for Real-time image dehazing algorithms from multiple Foggy scenes based on fuzzy Delphi and hybrid multi criteria decision analysis methods. Neural Computing and Applications.		
2020	Journal of Network and Computer Applications	IoT-based telemedicine for disease prevention and health promotion: State-of-the-Art, Journal of Network and Computer Applications, (2020).		
2018	Health and Technology	"A review on smartphone skin cancer diagnosis apps in evaluation and benchmarking: Coherent taxonomy, open issues and recommendation pathway solution." Health and Technology		
2018	Computer Methods and Programs in Biomedicine	A review of the automated detection and Classification of acute leukemia: Coherent taxonomy, datasets, validation and performance measurements, motivation, open challenges and Recommendations, Computer Methods and Programs in Biomedicine 158 (2018) 93–112,		
2018	Journal of medical systems	"Real-time remote health-monitoring systems in a Medical Centre: A review of the provision of healthcare services-based body sensor information, open challenges and methodological aspects." Journal of medical systems 42.9 (2018): 164.		
2018	Journal of medical systems	"Systematic review of an automated multiclass detection and classification system for acute Leukaemia in terms of evaluation and benchmarking, open challenges, issues and methodological aspects." Journal of medical systems		

2018	Journal of medical systems	"Real-Time Remote Health Monitoring Systems Using Body Sensor Information and Finger Vein Biometric Verification: A Multi-Layer Systematic Review." Journal of medical systems 42.12 (2018):		
2018	Journal of Medicine Systems	"Real-Time Medical Systems Based on Human Biometric Steganography: a Systematic Review." Journal of Medical Systems 42.12 (2018): 245.		
2018	Health and Technology	"Real-time-based E-health systems: Design and implementation of a lightweight key management protocol for securing sensitive information of patients." Health and Technology (2018): 1-19.,		
2017	ICT Educational conference	Enhanced Customer Relationship Management Based on Data Mining		
	<b>Name of the journal or conference, year of publication</b>	<b>Research Title</b>	<b>Teaching name j</b>	<b>number</b>
2021	International Journal of Information and Communication Technology Education	Social Media Usage for Informal Learning in Malaysia: Academic Researcher Perspective	M.D. Muhammad Younis Muhammad <b>Al-Sabawi</b>	<b>9</b>
2022	International Journal of Enterprise Information Systems	The Impact of Information Technology Infrastructure Flexibility and Behavioral Biases on Investment Decision Making		
2021	International Journal of Information and Communication Technology Education	Social Media Usage for Informal Learning in Malaysia: Academic Researcher Perspective		

2022	International Journal of Enterprise Information Systems	The Impact of Information Technology Infrastructure Flexibility and Behavioral Biases on Investment Decision Making		
2023	Journal of Science and Technology Policy Management	User trends of electronic payment systems adoption in developing countries: an empirical analysis		
2019	3rd International Conference of Reliable Information and Communication Technology	Social media for informal learning usage in Malaysia: barriers and benefits		
2022	VINE Journal of Information and Knowledge Management Systems	Factors affecting online knowledge sharing and its effect on academic performance		
2021	Social Network Analysis and Mining	A model of influencing factors of online social networks for informal learning in research institutes		
2022	International Journal of Innovation and Learning	Understanding the role of social media in informal learning by researchers in Malaysia higher education		
	<b>Name of the journal or conference, year of publication</b>	<b>Research Title</b>	<b>Teaching name j</b>	<b>number</b>
2021	Journal of Aegaeum	The Role of Business Intelligence in Supporting Customer Relationship Management: An Analytical Study of Asiacell Mobile Communications Company in Iraq	M.D. Faraj Nghimish Faraj Al-Shammari	1

Name of the journal or conference, year of publication	Research Title	Teaching name j	number	
2022	A proposed model for diabetes mellitus classification using coyote optimization algorithm and least squares support vector machine2022	A proposed model for diabetes mellitus classification using coyote optimization algorithm and least squares support vector machine	Daoud Abdel Suhair, M	2
2022	International Journal of Mathematics and Computer Science	Digital image compression by using swarm algorithms		
Name of the journal or conference, year of publication	Research Title	Teaching name j	number	
2019	Iranian Journal of Science and technology, Transactions A: Science	A New Ridge Estimator for the Poisson Regression Model	Rashad Khazal Nadwa. M	5
2021	Journal of Physics: Conference Series	Generalized ridge estimator in negative binomial regression model		
2022	International Journal of Nonlinear analysis and Applications	Jackknifed Liu-type estimator in the negative binomial regression model		
2022	Mathematical Statistician and Engineering Applications	Restricted ridge estimator in the negative binomial regression model		

2022	College Of Basic Education Researches Journal	Evaluation performance of water projects stations using PAM clustering technique		
	Name of the journal or conference, year of publication	Research Title	Teaching name j	number
2022	Mathematical Statistician and Engineering Applications	Solving 0 –1 knapsack problem by an improved binary Pigeon Inspired Optimization Algorithm	M. Rana Bashar Hussein	1
	Name of the journal or conference, year of publication	Research Title	Teaching name j	number
2021	AIP conference proceeding publishing	-E IMPACT THAT FACTORS INVESTIGATING LEARNING SYSTEMS IN OIL AND GAS INDUSTRY	Eng. Abdullah Hashem Al-Ballah	1
	Name of the journal or conference, year of publication	Research Title	Teaching name j	number
2022	Journal of System and Management Sciences	The Effect of Information Overload, and Social Media Fatigue on Online Consumers Purchasing Decisions: The Mediating Role of Technostress and Information Anxiety	M. Rashadred Hanna	1
	Name of the journal or conference, year of publication	Research Title	Teaching name j	number
2023	VINE Journal of Information and Knowledge Management Systems	The impact of adoption of digital innovation dynamics in reduce work exhaustion in SMEs in developing countries: the case of cloud of things Services	M. M. Hani Ramadan Alo	1
