

Course Description Form

1. Course Name:	
Principles of agricultural extension	
2. Course Code:	
PAEX206	
3. Semester / Year:	
The second spring semester / 2023-2024	
4. Description Preparation Date:	
1 / 2 / 2024	
5. Available Attendance Forms:	
My presence	
6. Number of Credit Hours (Total) / Number of Units (Total)	
2 theoretical / 2 units	
7. Course administrator's name (mention all, if more than one name)	
Name: Dhuha Mostafa abd al-faraje Email: : Dhuha_76@uomosul.edu.iq	
8. Course Objectives	
<p>Course Objectives</p> <p>Introducing students to the importance agricultural extension</p> <p>Introducing students to the objectives agricultural extension</p> <p>Enabling students to understand and know the agricultural extension system</p> <p>Introducing students to the principles agricultural extension</p> <p>Introducing students to the philosophy agricultural extension</p>	<p>Enabling students to recognize the most important guidance objectives and how to formulate them</p> <p>Enabling students to become familiar with the agricultural extension system</p>
9. Teaching and Learning Strategies	
<p>Strategy</p> <p>Lecture</p> <p>Group discussion</p> <p>Assigning the student to prepare a report</p> <p>Brainstorming method</p>	<p>Lecture</p> <p>Group discussion</p> <p>Assigning the student to prepare a report</p> <p>Training the student to give examples and draw diagrams</p>

Course Description Form

ask the question					
10. Course Structure					
Week	Hours	Required Learning Outcomes	Unit or subject name	Learning method	Evaluation method
1	2 Theoretic	My theory: The student gets to know the concept Agricultural guidance (a1c1b1)	Theoretical: Introduction to agricultural extension and the concept of agricultural extension	My theory: lecture the blackboard Audio aids	Short exam Duties
2	2 Theoretic	My theory: For the student to get to know Agricultural extension qualifications For the student to get to know Qualifications of the extension specialist (a2)	My theory: Qualifications agricultural guide and extension specialist	My theory: lecture the blackboard Audio aids	Short exam Duties
3	2 Theoretic	My theory: The student explains the importance Agricultural guidance To summarize the student Agricultural extension philosophy (a3b2)	My theory: The importance of agricultural extension and the philosophy agricultural extension	My theory: lecture the blackboard	Short exam Duties
4	2 Theoretic	My theory: The student classifies levels Indicative objectives For the student to get to know Characteristics of indicative objectives (a4)	My theory: Agricultural extension objectives, characteristics and levels	My theory: lecture the blackboard Audio aids My work: assignment With	Short exam Duties
5	2 Theoretic	My theory:	My theory:	My theory:	Short exam

Course Description Form

		The student should be able to Determine the principles of agricultural extension The student draws a diagram of the relationship between agricultural extension and local authorities (b3)	Principles of agricultural extension Practical: Use illustrations agricultural extension principles for social points that have relationships with private governmental organizations	lecture the blackboard Audio aids My work: assignments With illustrations And practical reports	Duties
6	2 Theoretical	My theory: To give the student an example of Sources of social change For the student to distinguish between levels Social change (C2 b4 a5)	My theory: Social change in the field of agriculture, levels and causes My work: preparing reports on social change Assigning class assignments on causes of social change	My theory: lecture the blackboard Audio aids	Short exams Duties
7	2 Theoretical	My theory: The student must be able To present the characteristics of adult education To be able to apply the principles of adult education (a6 c3 b5)	My theory: Adult education, its characteristics and principles	My theory: lecture the blackboard Audio aids My work: assignments With	Short exams Duties
8	2 Theoretical	My theory: The student explains the stages of the process Adoption (a7)	Theoretical: Adoption and its stages	My theory: lecture the blackboard Audio aids	Short exams Duties
9	2 Theoretical	My theory: The student should distinguish between types of communication The student explains the elements of the guidance communication process	Theoretical: Communication in agricultural extension its types and elements to carry out the tasks of communication elements	My theory: lecture the blackboard Audio aids My work: assignments With illustrations Assigning tasks and reports	Short exams Duties

Course Description Form

		(b6 a8)			
10	2 Theoret	My theory: The student should distinguish between types of communication The student explains the elements of the guidance communication process (a9 b7)	Theoretical: Communication in agricultural extension its types and elements	My theory: lecture the blackboard Audio aids	Short exam Duties
11	2 Theoret	My theory: To give the student an example of Types of agricultural extension methods Indicative method according to type (a10 b8)	Theoretical: agricultural extension methods and their types	My theory: lecture the blackboard Audio aids My work: assignment Preparing posters Tasks and reports	Short exam Duties
12	2 Theoret	My theory: The student should be able to Use leadership metrics (a11 c4)	Theoretical: Leadership, its elements, and leadership standards	My theory: lecture the blackboard Audio aids	Short exam Duties
13	2 Theoret	My theory: The student gets to know the concept Guidance management (a12)	Theoretical: Management, its concept and functions	My theory: lecture the blackboard Audio aids	Short exam Duties
14	2 Theoret	My theory: The student should be able to Applying the principles of indicative planning (a13 b9)	Theoretical: Indicative planning, its concepts and principles	My theory: lecture the blackboard Audio aids	Short exam Duties
15	2 Theoret	My theory: The student should be able to Acquiring counseling skills The student must practice Skills for guiding teachers during the visit (d1)	My theory: Organizing a scientific visit to the Nineveh Agriculture Directorate Students watch guidance tasks during the visit	My theory: lecture Audio aids My work: report on the visit	Short exam Duties
11. Course Evaluation					

Course Description Form

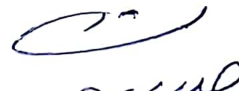

Distributing the score out of 100 according to the tasks assigned to the student such as daily preparation, daily oral, monthly, or written exams, reports etc

	Calendar methods	Calendar date (one week)	Class	Relative weight
1	Final theoretical report	My theory is week 15	13 theoretical	13%
2	Quiz (1)	Week (3)	6 theoretical	6%
3	Midterm Exam	Week (9)	15 theoretical	15%
4	Quiz (2)	Week (12)	6 theoretical	6%
5	Final theoretical test	week of theoretical exams	60	60%
	Total		100	100

12. Learning and Teaching Resources

Required textbooks (curricular books, if any)	Agricultural extension book - lectures agricultural extension principles
Main references (sources)	Introduction to agricultural extension book Agricultural extension science
Recommended books and references (scientific journals, reports...)	-----
Electronic References, Websites	FAO is the Food and Agriculture Organization the United Nations
