

Course Description Form

1. Course Name:	
Principles of agricultural extension	
2. Course Code:	
MEAR338	
3. Semester / Year:	
Autumn semester 2024-2025	
4. Description Preparation Date:	
1/2/2025	
5. Available Attendance Forms:	
My presence + electronic	
6. Number of Credit Hours (Total) / Number of Units (Total)	
2 hours theoretical / 3.5	
7. Course administrator's name (mention all, if more than one name)	
Name: Hafsa Fattah Hadi Jassim Al-Anzi Email: hfshalnzy48@uomosul.edu.iq	
8. Course Objectives	
Course Objectives	<p>Introducing students to the importance of agricultural extension</p> <p>Introducing students to the objectives of agricultural extension</p> <p>Enabling students to understand and know the agricultural extension system</p>

	<p>Introducing students to the principles of agricultural extension</p> <p>Introducing students to the philosophy of agricultural extension</p> <p>•</p>
--	--

9. Teaching and Learning Strategies

<p>Theoretical</p> <ul style="list-style-type: none"> - Interactive lecture -Brainstorming - Dialogue and discussion - Assigning tasks and reporting practical 	<p>work</p> <p>There is no work</p>
---	-------------------------------------

10. Course Structure

Week	Hours	Required Learning Outcomes	Unit or subject name	Learning method	Evaluation method	
The first	2 are theoretical	 <p>Theoretical</p> <p>The student determines the concept of agricultural extension, its characteristics and goals. .</p>	The theoretical concept of agricultural extension	Lectures, audio media reports, pictures, and other learning methods related to the lesson:.	exams, reports, discussions, quizzes.	
The second	2 are theoretical	<p>Theoretical</p> <p>The student learns about the nature of communication and</p>	Theoretical	The concept of	Lectures, audio media reports, pictures, and other learning methods related to the lesson	exams, reports, discussions, quizzes.

		cooperation between agricultural extension and agricultural research agencies.	agricultural extension		
the third	2 are theoretical	Theoretical The student gets acquainted with the philosophical ideas related to counseling work	Theoretical Agricultural guide	Lectures, audio media reports, pictures, and other learning methods related to the lesson	exams, reports, discussions, quizzes.
the four	2 are theoretical	Theoretical The student identifies social change in the field of agriculture, its sources, levels, and causes. .	Theoretical The importance of agricultural extension	Lectures, audio media reports, pictures, and other learning methods related to the lesson	exams, reports, discussions, quizzes.
The Fifth	2 are theoretical	Theoretical The student identifies social change in the field of agriculture, its sources, levels, and causes. .	Theoretical Principles of agricultural extension Principles of agricultural extension	Lectures, audio media reports, pictures, and other learning methods related to the lesson	exams, reports, discussions, quizzes.

			Scientific visit		
VI	2 are theoretical	<p>Theoretical</p> <p>The student highlights his knowledge of the relationship of adult education with other sciences.</p> 	<p>Theoretical</p> <p>Agricultural extension philosophy</p> <p>Theoretical</p> <p>Social change in agriculture</p>	<p>Lectures, audio media reports, pictures, and other learning methods related to the lesson</p>	<p>exams, reports, discussions, quizzes.</p>
Seventh	2 are theoretical	<p>Theoretical</p> <p>The student highlights his knowledge of the relationship of adult education with other sciences.</p>	<p>Theoretical</p> <p>Adult Education</p>	<p>Lectures, audio media reports, pictures, and other learning methods related to the lesson</p>	<p>exams, reports, discussions, quizzes.</p>
VIII	2 are theoretical	<p>Theoretical</p> <p>The student learns about the elements and objectives of the educational process</p>	<p>Theoretical</p> <p>Elements of the</p>	<p>Lectures, audio media reports, pictures, and other learning methods related to the lesson</p> <p>exams, reports, discussions, quizzes.g</p>	<p>exams, reports, discussions, quizzes.</p>

			educational process	methods related to the lesson	
Ninth	2 are theoretical	Theoretical The student should be able to know adoption, the factors involved, and identify categories of adoptees.	Theoretical Adoption Theoretical Communication in agricultural extension	Lectures, audio media reports, pictures, and other learning methods related to the lesson	exams, reports, discussions, quizzes.
Tenth	2 are theoretical	Theoretical The student learns about communication and its role in agricultural extension.	Theoretical Communication in agricultural extension	Lectures, audio media reports, pictures, and other learning methods related to the lesson	exams, reports, discussions, quizzes.
eleventh	2 are theoretical	Theoretical The student learns about the classification of counseling methods and their types.	Theoretical Agricultural extension	Lectures, audio media reports, pictures, and other learning methods related to the lesson	exams, reports, discussions, quizzes.
twelfth	2 are theoretical	Theoretical	Theoretical	Lectures, audio media reports, pictures, and other learning methods related to the lesson	exams, reports, discussions, quizzes.

		The student determines the guidance methods and their role in delivering the guidance message to the recipient.	Mass counseling methods	methods related to the lesson	
Thirteenth	2 are theoretical	Theoretical The student learns about the role and tasks of the leader in extension work and his communication with opinion leaders in the local community.	Theoretical Leadership and its types	Lectures, audio media reports, pictures, and other learning methods related to the lesson	exams, reports, discussions, quizzes.
fourteenth	2 are theoretical	Theoretical The student determines the specifications and functions of management	Theoretical Guidance management	Lectures, audio media reports, pictures, and other learning methods related to the lesson	
Fifteenth	2 are theoretical	Theoretical The student identifies the importance of field and office visits and	Theoretical Guidance visits to	Lectures, audio media reports, pictures, and other learning methods related to the lesson	

		personal letters in extension work	discuss the report

11. Course Evaluation

	Evaluation methods	Evaluation date	(week) Grade	Relative weight %
1	Final theoretical reports	week	13Theoretical	13%
2	Short test (1)	week (3)	6 theoretical	6%
3	Midterm exam (theoretical)	week (9)	15 theoretical	15%
4	A short test (2)	weeks (12)	6 theoretical	6%
6	Final theoretical exam	theoretical exams week	60	60%
	Total		100	100%

12. Learning and Teaching Resources

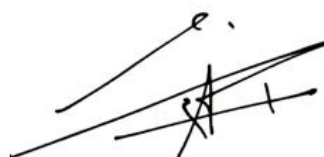

Required textbooks (curricular books, if any)	Agricultural extension book - lectures on agricultural extension principles
Main references (sources)	Introduction to agricultural extension book Agricultural extension science

Recommended books and references (scientific journals, reports...)	Agricultural extension, its basics and applications
Electronic References, Websites	Various Internet sites using the Google engine (related to the subject of principles of agricultural extension

Chairman of the Scientific Committee

Prof. Dr. Jassim Mohammed Alwan

Head of the department

Prof. Dr. Asmaa Muhammad Adel
