		تفاصيل البرنامج
Agriculture science	Broad Subject Area	الموضوع العام
Animal production (nutrition, breeding, physiology, and management)	Main Subject:	الموضوع الرئيسي
	Custom Subject	الموضوع إذا لم يكن مذكور
Animal production	Specialization	الاختصاص
The department was established since the establishment of the College of Agriculture and Forestry in 1964 under the Department of Animal Resources; then, it was replaced by the Department of Animal Production and Veterinary Medicine after merging with the College of Agriculture and Veterinary Medicine. After the College of Veterinary Medicine was transferred to the University of Baghdad, the department was separated into the Animal Breeding and Improvement Department. Then, its name was changed to the Department of Animal Production. Students were accepted for granting a master's degree in 1973-1974, and students were taken for a doctoral degree in 1987-1988. **Department goals:**	Program Description	وصف البرنامج

1_ To prepare scientific cadres of primary studies students. 2_ To prepare advanced cadres in the fields of livestock from postgraduate students. 3_ For direct contact with livestock producers by holding seminars to identify and solve their problems modernly.
