

Course Description Form

Department or
branch: Sociology

College: Arts

University: Mosul

1. Course name and academic level

Cultural Anthropology / Fourth Stage

2. Course code

SOIS

3. Semester/Year

First and second courses 2025

4. Date this description was prepared

May 19, 2025

5. Available forms of attendance

Blended learning

6. Number of study hours (total) / Number of units (total)

(2) hours per week (4) study units

7. Name of the course supervisor (if more than one name is mentioned) and academic title.

Name: Email: Najla.aa.ah@uomosul.edu.iq

8. Course objectives

Contributing to the knowledge of how human societies, civilizations and cultures developed, contributing to the process of studying modern civilizations and cultures, describing aspects of human and civilized life, helping to enhance the interpretation of individuals' purpose in performing social actions within societies and, most importantly, recognizing the impact of culture on character building.

Course objectives:

9. Teaching and learning strategies

Use Examples realism To clarify Cultural anthropological concepts, encouraging classroom discussions, using multimedia.

Strategy

10. Course structure

Evaluation method	Learning method	Name of unit or topic	Required learning outcomes	Watches	Week
Giving a theoretical lecture	In-person lecture	Definition of cultural anthropology	Introduce students to cultural anthropology	2	1
giving a lecture	My presence	Types of cultural anthropology	Students were introduced to the most important types of cultural anthropology.	2	2
Giving a lecture explaining and clarifying	In-person lecture	Data collection tools in anthropology	Introducing students to the most important tools used in collecting information in anthropological research.	2	3
Interactive explanation with application on an illustrative example	Attend a lecture	Research methods in anthropology	Students are introduced to the available methods in anthropological research.	2	4
Questions about the vocabulary we covered in previous lectures	Written exam	exam	Choosing students' understanding and comprehension	2	5
Refer to real-life examples to understand the topic.	In-person lecture	Cultural anthropology jobs	Students understand the functions of cultural anthropology in understanding the cultures of human	2	6

			societies.		
Giving a theoretical lecture	In-person lecture	Definition of culture	Students learn about the most important contributions of scholars in introducing the concept of culture.	2	7
