College of Arts:

The College of Arts was one of the first colleges to be opened at the University of Mosul. It was opened officially in 1966. The aim of its opening was to achieve the objectives of higher education by preparing students to be researchers and specialists in the humanities.

Vision:

Global leadership and academic excellence through our knowledge, culture, and values in linguistic, philosophical, social, media, and digital studies.

Mission:

Preserving our culture, values, and identity is the foundation of our commitment to education, learning, scientific research, and community service.

Our college strives to develop fundamental and advanced academic programs in various humanities disciplines according to globally and regionally recognized standards.

This contributes to preparing competent graduates who can support their communities in linguistic, philosophical, social, media, and digital fields.

Department of English language

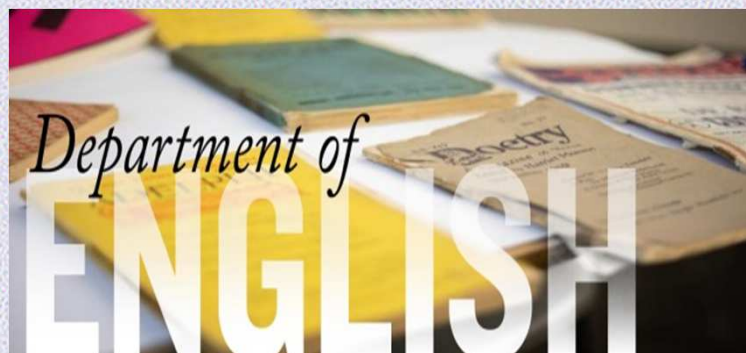

Historical Background

The Department of English in College of Arts, University of Mosul was established in 1969, and the department seeks to prepare students who are competent in the field of English Language and English Literature.

Degrees Available

The department of English provides different degrees like Bachelor in English Language, Master of Arts in English Language and Linguistics, Master of Arts in English Literature and Doctorate In Linguistics:

- B. A. English Language
- M. A. English Language & Linguistics
- M. A. English Literature
- PHD Linguistics

Scientific Activity

International Conference –Barcelona / Spain"

Participation in an international conference in Barcelona, Spain, with two research papers entitled:

(From Protests to Wall Art!':
Introducing Environmental Issues in
Three Master Theses

(Department of English, College of
Arts, University of Mosul, Nineveh,
Iraq)

(3rd Global Summit on Advances in
Earth Science and Climate Change)

Scientific Activity International Conference Barcelona / Spain

Researchers

Asst. Prof. Dr. Huda Ismael Fadel

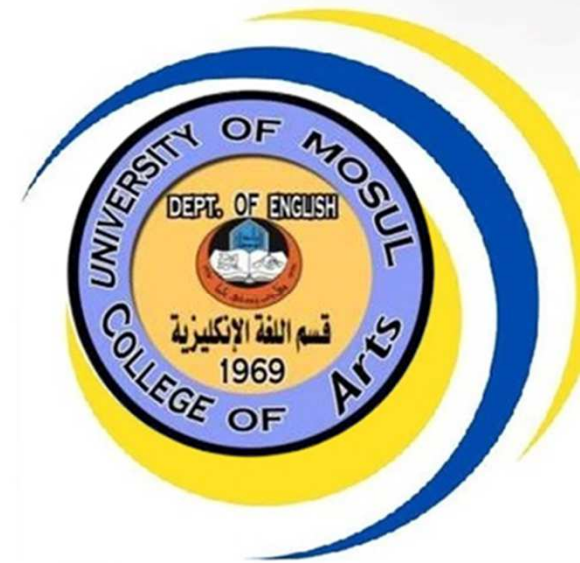

**Shamal Shaker Taher/ Master's
student**

Date: (26-27) September, 2024

Venue: Zoom Platform

Link:

<https://web.facebook.com/share/p/197jPCYQ8e/>

Objectives

The participating research papers aim to highlight the treatment of environmental issues in master's theses from the Department of English at the University of Mosul.

They also shed light on the role of literature and art (such as murals) in promoting environmental awareness. In addition, they focus on integrating sustainability and environmental concepts into academic discourse and the humanities.

Scientific Activity

Extracurricular Student Event

An extracurricular academic student activity:

Dialogue Sessions Program – Middle East History

In collaboration with Lindenwood University.

Scientific Activity

Extracurricular Student Event

Participants

**Asst. Prof. Dunya Ali Hussein /
University of Mosul**

**Lect. Ahmed Jasim Mohammed /
University of Mosul
Dr. Marcus Smith / Linwood University**

Time: Starting from October 2025

Venue: Zoom Platform

Link:

<https://www.facebook.com/share/p/1FMnoe2gQD/>

Objectives

The extracurricular academic student activity aimed to:

- * Enhance cultural and academic exchange between students of both universities.
- * Develop students' dialogue and academic conversation skills in English.
- * Deepen students' understanding of Middle Eastern history from a multicultural perspective.
- * Support non-formal education and encourage critical thinking and historical analysis.
- * Prepare students for participation in international events and broaden their intellectual horizons.

Scientific Visit - Mosul Book Fair

The Department of English at the College of Arts organized a scientific visit to the Mosul Book Fair, with the participation of a group of faculty members and students from the department.

Scientific Visit Mosul Book Fair

Participants

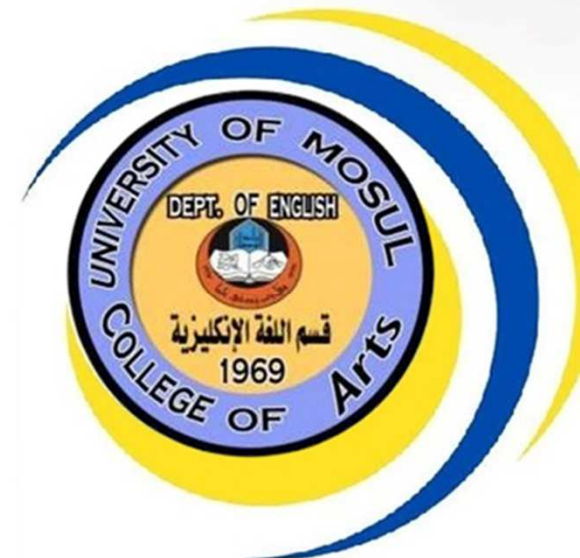

A select group of professors and students from the English Department

Time: October 2024

Venue: Mosul Book Fair

Activity link:

[<https://www.facebook.com/share/p/1DwfKzqTdw/>]

Objectives

The visit aimed to enhance students' cultural and intellectual awareness and encourage them to engage with modern sources of knowledge by exploring the latest publications in the fields of literature, language, and thought.

It also sought to promote a love of reading and scientific research, while connecting the theoretical aspects of study with cultural and community activities beyond the classroom.

Scientific Activity

Editorial Board Membership of an Academic Journal

A faculty member from the Department of English, College of Arts, (Asst. Prof. Dr. Huda Fadel Ismail) has been selected as a member of the editorial board of a peer-reviewed academic journal published by the University of Babylon.

Scientific Activity

Editorial Board Membership of an Academic Journal

Participants

Asst. Prof. Dr. Huda Fadhil Ismail

Time: October 24, 2024
Place: Babylon Journal for Civilizational and Historical Studies

Link:
<https://web.facebook.com/share/p/1BpYkBugFg/>

Details of the scientific activity:

Assistant Professor Dr. Huda Al-Halawji, a faculty member in the Department of English, was selected as a member of the editorial board of the Babylon Journal of Civilizational and Historical Studies, issued by the Babylon Center for Civilizational and Historical Studies at the University of Babylon.

Scientific Activity

Acceptance of Publication in a Scopus-Indexed Journal

Acceptance of Publication from the University of Sya Kuala Journal / Indonesia within Scopus Index (Q1) for the submitted research titled:

"Smoke Signals: Decoding the Multimodal Strategies of Cigarette Health Warnings in Australia"

Published in the journal:
Studies in English Language and Education (SiELE)

Scientific Activity

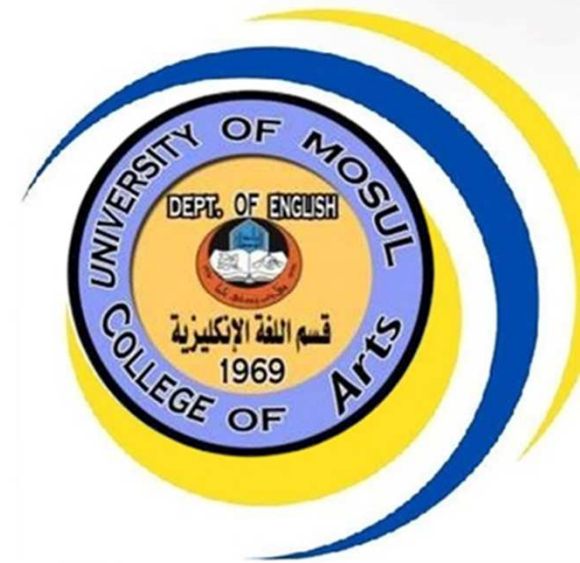

Acceptance of Publication in a Scopus-Indexed Journal

Participants

Asst. Prof. Dr. Huda Fadhil Ismail
Shatha Hazem Saadallah / PhD student

Time: October 28, 2024
Place: Syiah Kuala University Journal / Indonesia

Activity link:
<https://web.facebook.com/share/p/1AqLHCvz5e/>

Objectives:

The study examines the health warnings on cigarette packs produced in Australia, focusing on how textual and visual elements interact to convey health risks. It also identifies the warning strategies and functions adopted by cigarette manufacturing companies.

The research further investigates how language influences the perceptions and behaviors of smokers within Australia's diverse demographic landscape, aiming to improve health messages for more effective anti-smoking campaigns.

Scientific Activity – Academic Promotion

Academic promotion for **Zahraa Ahmed Othman** from the rank of (Assistant Lecturer) to the rank of (Lecturer)

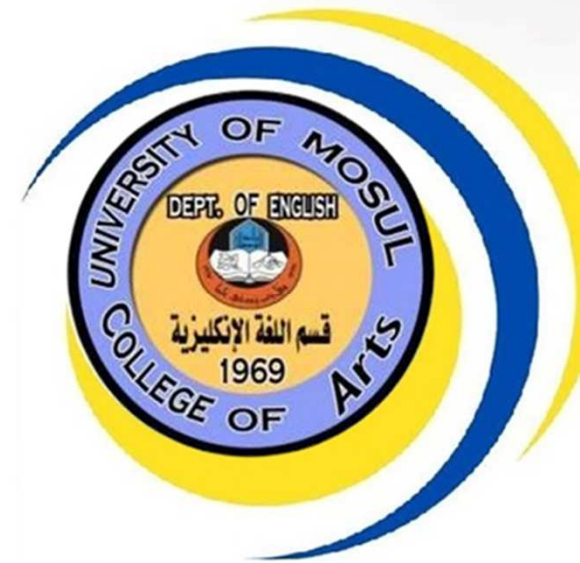

Scientific Activity Academic Promotion

**Academic promotion (from
Assistant Lecturer to Lecturer)**

**Lect. Zahraa Ahmed Othman /
University of Mosul**

Time: November 7, 2024
Place: College of Arts, University of Mosul

Activity link:
<https://web.facebook.com/share/p/12KBM Dcq8s5/>

**Congratulations on the Academic
Promotion – Department of
English**

The Department of English extends its warmest congratulations and best wishes to Ms. Zahraa Ahmed Othman on her academic promotion from the rank of Assistant Lecturer to Lecturer. Congratulations to her on this scientific achievement.

Honorary Shield – Former Head of Department

Honoring the Former Head of the English Department for his efforts and dedication in completing the assigned tasks with commitment and sincerity.

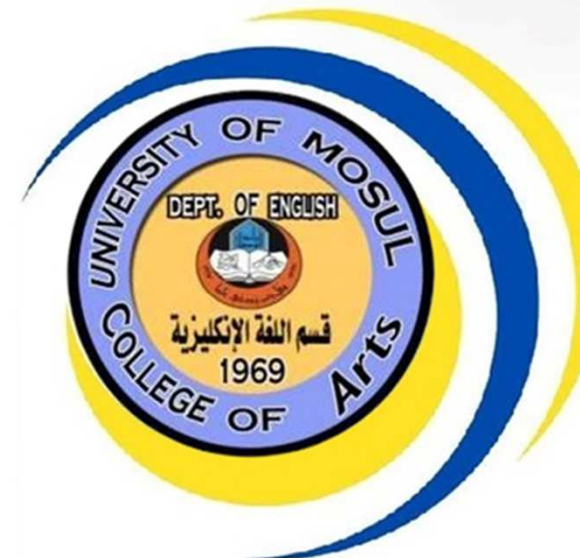

Honorary Shield Former Head of Department

Honorary Shield

Prof. Dr. Wafaa
Abdullatif Abdulali

Time: November 13, 2024
Place: College of Arts, University of Mosul

Activity link:
<https://web.facebook.com/share/p/1969S46EK2/>

Honorary Shield – Former Head of Department

The Dean of the College of Arts and the English Department, represented by Assistant Professor Dr. Saleh Abdullah Abdulrahman, honored Prof. Dr. Wafaa Abdullatif Abdulali with a shield of honor in recognition of her efforts, dedication, and commitment during her tenure as Head of the English Department at the College of Arts.

Scientific Activity – Extracurricular Student Event

Extracurricular Student Activity:
WINC Program with Penn State
University.

Scientific Activity Extracurricular Student Event

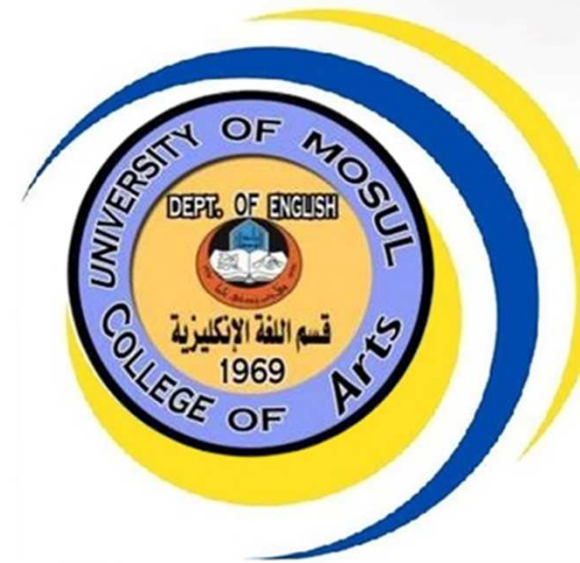

Participants

Asst. Prof. Dunya Ali Hussein /
University of Mosul

The Students of Department of
English

Time: Starting from November 2024
Place: Zoom Platform

Activity link:
<https://www.facebook.com/share/p/15qUmXcxEi/>

Objectives:

The program aims to promote cultural understanding and broaden students' horizons by engaging them in interactive conversations with native English speakers from around the world.

It also focuses on developing communication and dialogue skills in English, encouraging students to express their opinions confidently on a variety of social and cultural issues within a supportive and interactive environment. This contributes to enhancing their linguistic and intellectual competence in a global context.

Scientific Activity

Research Publication in a Scopus-Indexed Journal

Here is the English version of your announcement:

Research Publication – Indexed Journal (Scopus Q2)

A derived research paper titled:

"With Spray, Paint 'The Shel': A Semiotic Panel to Graffiti on Iraqi Women in Tahrir Square, Baghdad (October 25th, 2019)"

has been published in the international journal **Echo-Humanism**, based in **London, United Kingdom**, which is indexed in **Scopus Q2**.

Scientific Activity Research Publication in a Scopus-Indexed Journal

Participants

Asst. Prof. Dr. Huda Fadhil Ismail
Shimal Shakir Taher / Researcher

Time: December 12, 2024
Place: Eco-Humanism Journal

Activity link:
<https://web.facebook.com/share/p/17wma3a2Kx/>

Publication details:

The research, derived from the master's thesis of student Shimal Shaker Taher and supervised by Assistant Professor Dr. Huda Al-Halawaji from the Department of English, has been published.

The study presents a semiotic analysis of the representation of Iraqi women in graffiti art that appeared in Tahrir Square, Baghdad, on October 25th, 2019.

Orientation University Academic Guidance

Oriented Workshop on "University Academic Guidance" for First-Year Students in the Department of English.

The workshop included a welcoming reception and the distribution of guidance brochures to the students.

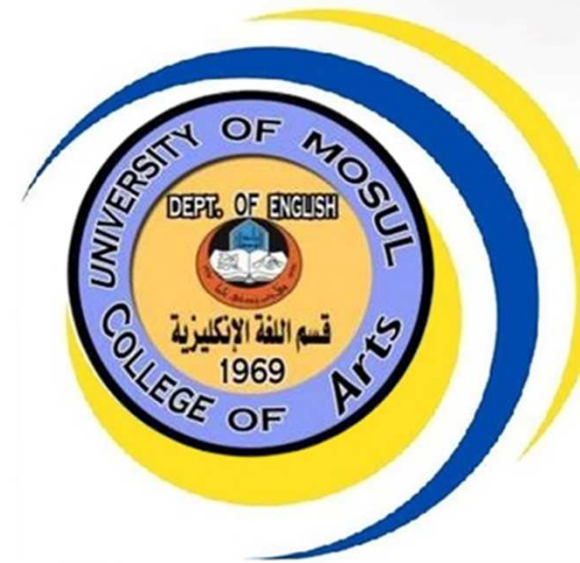

Orientation University Academic Guidance

Participants

A select group of instructors from the English Department

Time: December 16, 2024
Place: English Department Hall

Activity link:
<https://www.facebook.com/share/p/1A2siDVJhp/>

Objectives:

The objective of the activity was to introduce first-year students to key educational tips and university regulations that they need to follow.

This aims to support their integration into the new academic environment and help them succeed in their first year of study.

"Honoring Top Students Festival – College of Arts"

Honoring the Students: - The top student of the entire college for all years
- The top three students of each department for the years 1969–1980

"Honoring Top Students Festival – College of Arts"

Honoring Top Students –
Department of English

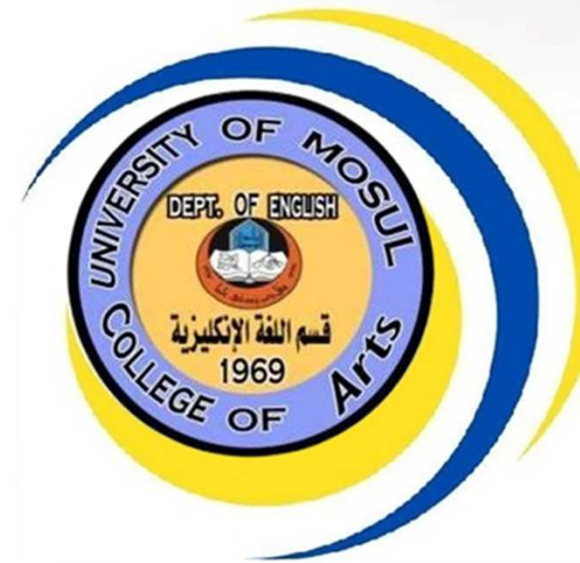

THE TOP THREE (1969 – 1980)

Time: December 17, 2024

Place: University of Mosul Theater

Activity link:

<https://web.facebook.com/share/p/1FZm8RS7Pk/>

Honoring Top Students:

The College of Arts held the College of Arts Festival to Honor the Top Students on Tuesday, December 17, 2024. The event will recognize:

The top student of the entire college for all years.

- The top three students of each department for the years 1969–1980. The ceremony took place in the Grand Theater Hall at the University of Mosul.

Scientific Seminar

Graduate Studies Skills Development Program

Scientific Seminar for Master's Students in the English Department within the Continuing Education Program, entitled "Language Change"

Scientific Seminar

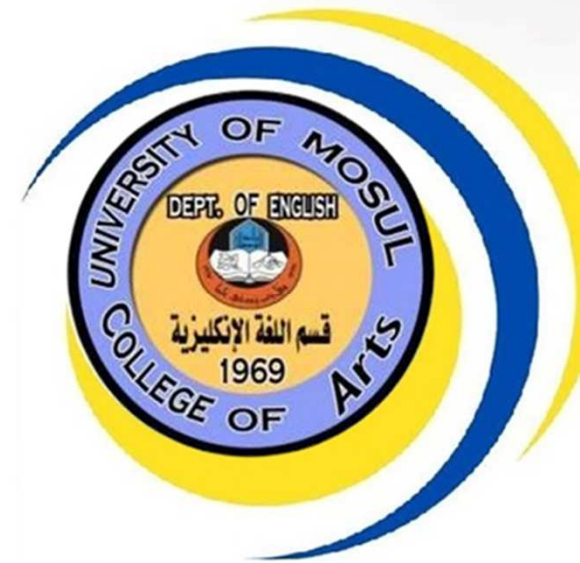

Graduate Studies Skills Development Program

Participants

Asst. Prof. Dr. Huda Fadhil Ismail
Postgraduate Students

Time: December 29, 2024
Place: Graduate Studies Hall, English Department

Activity link:
<https://web.facebook.com/share/p/1EThRN3AtT/>

Objectives:

The scientific seminar entitled "Language Change," held as part of the Continuing Education Program for Master's students in the English Department, aims to deepen students' understanding of the phenomenon of language change, including its causes and influencing factors.

It also reviews examples of changes that have occurred in the English language throughout the ages. Additionally, the seminar seeks to develop students' linguistic analytical and critical skills, encouraging them to engage in research within the fields of historical and sociolinguistics.

Honoring a Faculty Member in the English Department

Honoring the graduate students of the Family Medicine Diploma program and a faculty member from the English Department with a shield of thanks, appreciation, and praise for her efforts in delivering the curriculum in a clear and scientific manner.

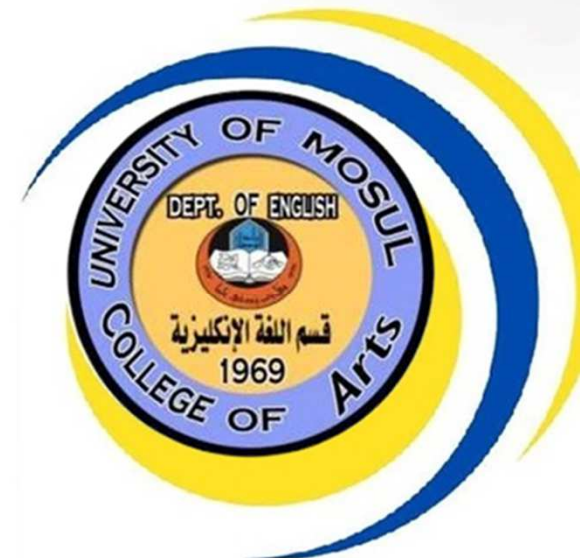

Honoring a Faculty Member in the English Department

**Asst. Prof. Dr. Huda Fadhil
Ismail**

Time: January 13, 2025
Place: Graduate Studies Hall, College of Medicine

Activity link:
<https://www.facebook.com/share/p/1BQ2hPrJ7u/>

Details:

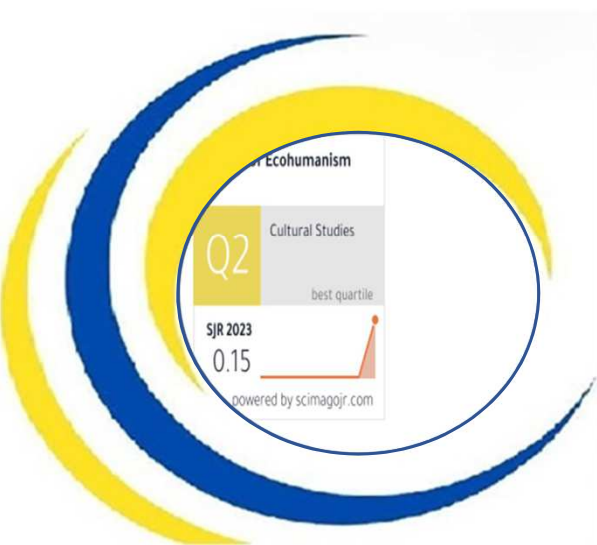

The students honored Asst. Prof. Dr. Huda Fadel Ismail with a shield of thanks, appreciation, and praise, congratulating her for the efforts she exerted in delivering the curriculum in a clear and scientific manner.

In addition, a scientific seminar was held with the participation of the students, during which they presented lectures on the vocabulary of the curriculum, emphasizing the terms that had a significant impact on developing their language skills.

Scientific Activity

Publishing a Research Paper in a Scopus-Indexed Journal

Publication of a Research Paper in an International Journal (Eco-Humanism), London, UK, Indexed in Scopus (Q2) The research paper entitled "Multimodal Efficacy of Health Warnings on UK Cigarette Packages: A Cognitive-Semiotic Analysis" has been published.

Scientific Activity

Publishing a Research Paper in a Scopus-Indexed Journal

Participants

Asst. Prof. Dr. Huda Fadhil Ismail
Shatha Hazem Saadallah / PhD
Student

Time: February 11, 2025
Place: Eco-Humanism Journal

Activity link:
<https://web.facebook.com/share/p/1EfJZxSm1r/>

Publication Details:

The research paper, extracted from the doctoral thesis of the student Shatha Hazem Saadallah, under the supervision of Assistant Professor Dr. Huda Al-Halawji from the English Department, has been published.

The paper appeared in the journal Eco-Humanism, issued by Creative Publishing House, London, UK, and is indexed in Scopus Q2.

Scientific Workshop – For Graduate Students

Scientific Workshop titled "How to Write a Research Paper in the Field of Literature" for Master's Students of Literature in the English Department.

Scientific Workshop For Graduate Students

Lecturers

**Asst. Prof. Dr. Iman Ibrahim
Khudair
Asst. Prof. Shaimaa Zuhair
Hammoudi**

Time: February 18, 2025
Place: Graduate Studies Hall, English
Department

Activity link:
<https://web.facebook.com/share/p/1Bmbz19R5C/>

Objectives:

The workshop aimed to introduce students to how to write a research paper in the field of literature, highlighting the most important methodologies required for research writing.

It also sought to enhance academic skills and address the challenges students may face during the writing process.

Scientific Activity

Co-authoring a Book on Environmental Linguistics

A faculty member in the English Department was selected to write the foreword for a book on Environmental Linguistics, to be published by an international publishing house in the United States of America.

Scientific Activity

Co-authoring a Book on Environmental Linguistics

Participants

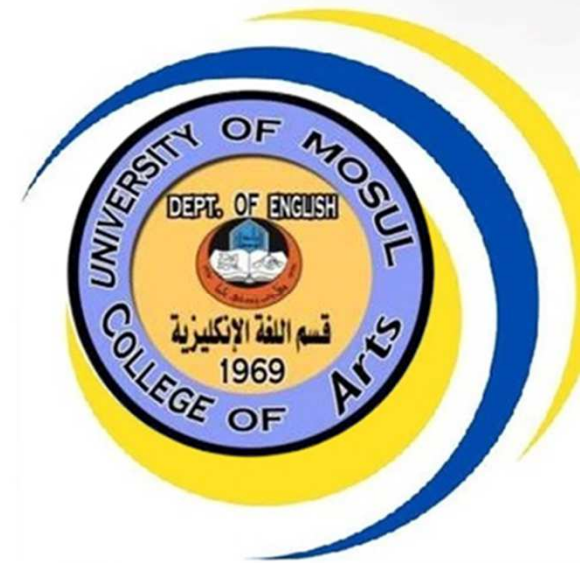

Asst. Prof. Dr. Huda Fadhil Ismail

Time: February 20, 2025

Place: Publishing House in the United States of America

Activity link:

<https://web.facebook.com/share/p/1G5LUje6F/>

Details:

Assistant Professor Dr. Huda Al-Halawji, a faculty member in the English Department, has been selected by the international publishing house Lexington Books to write the foreword for one of their upcoming publications on Environmental Linguistics, scheduled for release this year.

Honoring a Lecturer in the English Department

The President of the University of Mosul Honors a Lecturer in the English Department with a Letter of Thanks and Appreciation.

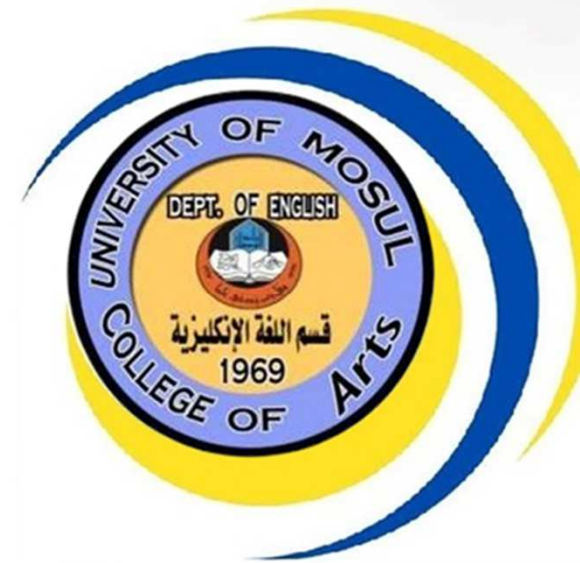

Honoring a Lecturer in the English Department

**Lect. Ahmed Jassim
Mohammed**

Time: February 23, 2025
Place: University of Mosul

Activity link:
<https://web.facebook.com/share/p/1G5qa2JvDC/>

Details:

The esteemed President of the University of Mosul, Professor Dr. Waheed Mahmoud Al-Ibrahimi granted Mr. Ahmed Jassim Mohammed, Head of the Qualification and Employment Unit in our college, a letter of thanks and appreciation for his dedicated efforts and proficient performance of the assigned duties.

Scientific Workshop – For Graduate Students

Scientific Workshop titled “How to Publish in Scopus-Indexed Journals” for Graduate Students in the English Department.

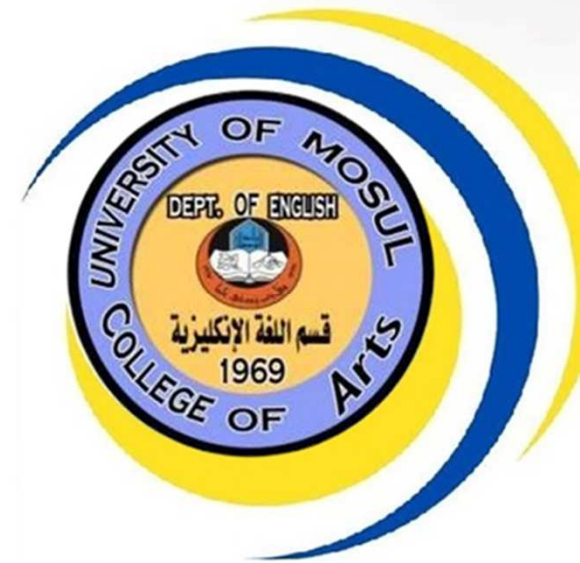

Scientific Workshop For Graduate Students

Lecturers

**Asst. Prof. Dr. Iman Ibrahim
Khudair**
**Asst. Prof. Shaimaa Zuhair
Hammoudi**

Time: March 3, 2025
**Place: Graduate Studies Hall, English
Department**

Activity link:
<https://web.facebook.com/share/p/16YrAPST7g/>

Objectives:

The workshop introduced students to the process of publishing in journals indexed in the Scopus database, outlining the specific steps required to ensure the acceptance of their research.

These steps include selecting an appropriate journal, understanding the publication requirements, submitting the manuscript through the journal's online platform, and following subsequent stages such as peer review, revisions, final approval, and ultimately, publication and follow-up.

Academic Collaboration with Lindenwood University (USA)

Academic Collaboration with Lindenwood University (USA) – Department of English and Department of Translation

Academic Collaboration with Lindenwood University (USA)

Participants

A select group of professors and students from the English and Translation Departments

Time: March 9, 2025
Place: Zoom Platform

Activity link:
<https://web.facebook.com/share/p/19RP5VKPtQ/>

Objectives:

The program aims to develop students' language skills and enhance their ability to engage in dialogue and express ideas, in addition to enriching their cultural understanding.

Cultural Festival – Women's Day Celebration

Academic Collaboration with
Lindenwood University (USA) –
Department of English and
Department of Translation

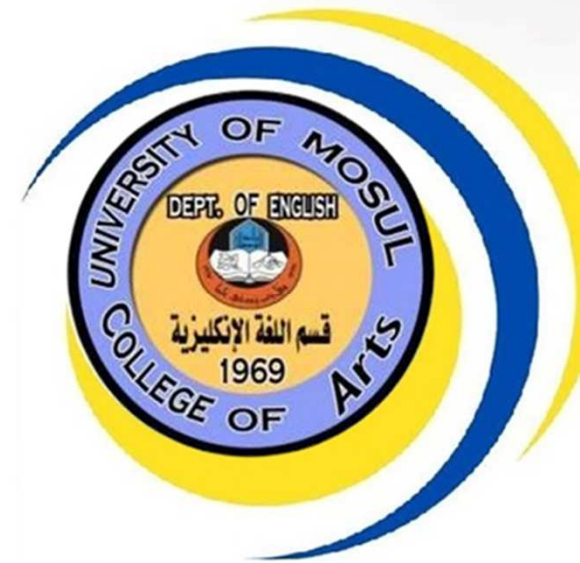

Cultural Festival Women's Day Celebration

Participants

**A select group of instructors and
students from the English Department**

Time: March 11, 2025
Place: Ibn al-Atheer Hall, College of Arts

Activity link:
<https://www.facebook.com/share/p/15bh1aM9Qo/>

Objectives:

This activity aimed to present artistic performances under the title "Who Am I", highlighting iconic women in Iraqi civilizations, along with educational and awareness-raising guidance on health and beauty.

In addition, female students from the College of Arts' dormitories were honored for their dedication in leaving their hometowns and families, taking on responsibility, and relying on themselves to live independently in pursuit of education and a better future.

Scientific Activity – Extracurricular Student Event

The Department of English organized an extracurricular student-centered academic dialogue activity titled "Chat with Us."

Scientific Activity Extracurricular Student Event

Participants

A select group of instructors and students from the English Department

Time: March 13, 2025
Place: English Department Halls

Activity link:
<https://web.facebook.com/share/p/1AVewjf3wH/>

Objectives:

This activity aims to train students in the art of dialogue and discussion on various topics and issues. Each session focuses on a specific topic selected for discussion, helping students develop their language skills such as speaking and listening.

In addition, the activity seeks to boost their self-confidence, foster a spirit of collaboration among them, and encourage peer support in improving their language abilities.

Tree-Planting Campaign at the Department of English

The Department of English organized a volunteer activity consisting of a diverse tree-planting campaign, which included planting trees, distributing materials and posters, and delivering awareness lectures.

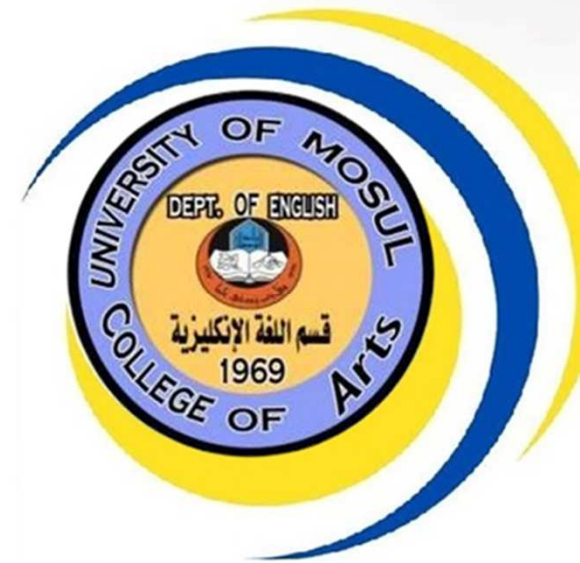

Tree-Planting Campaign at the Department of English

Participants

**A select group of instructors and
students from the English Department**

Time: March 19, 2025
Place: Gardens, halls, and corridors of the
College of Arts

Activity link:
<https://web.facebook.com/share/p/1HP6jLXoqE/>

Objectives:

The activity aimed to promote tree planting and highlight its importance in improving air quality, reducing soil erosion, providing habitats for wildlife, and simultaneously mitigating the effects of climate change.

Scientific Activity – Extracurricular Student Event

The Department of English organized a student-centered academic dialogue activity titled “Chat with Us”. Topic of the second session: “The Relationship Between Books and Cinema in the Mental Health of Readers and Viewers.”

Scientific Activity Extracurricular Student Event

Participants

**A select group of instructors and
students from the English Department**

Time: March 19, 2025
Place: English Department Halls

Activity link:
<https://web.facebook.com/share/p/18HYpJYjZh/>

Objectives:

This activity aims to train students in asking questions, engaging in dialogue, and discussing various topics and issues. Each session focuses on a specific topic to help develop their language skills, such as speaking and listening.

Additionally, it seeks to boost their self-confidence, foster a spirit of cooperation among them, and encourage mutual support in improving their language abilities.

Training Workshop - Senior Students at the College of Arts

Scientific Workshop titled "**CV Writing Skills in Both Arabic and English**" for senior Students at the College of Arts.

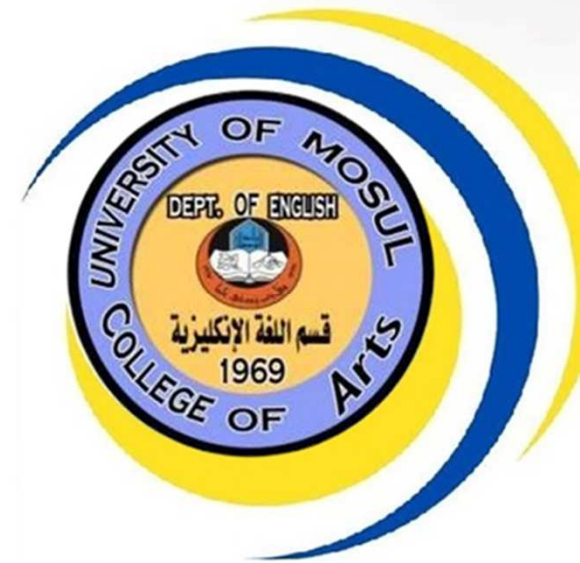

Training Workshop Senior Students at the College of Arts

Lecturers

A select group of instructors from the English Department

Time: March 16–30, 2025
Place: English Department Laboratory

Activity link:
<https://web.facebook.com/share/p/1BPTpnmj9h/>

Objectives:

The Department of English, in cooperation with the Guidance and Educational Counseling Unit and the Continuing Education Unit at our college, organized a training course for fourth-year students at the College of Arts – University of Mosul, titled "**CV Writing Skills in Both Arabic and English.**"

Scientific Activity – Extracurricular Student Event

The English Department organized a student-led scientific discussion activity titled "Chat with Us." The topic of the third session was: **Communication Skills and Post-Graduation Challenges**

Scientific Activity Extracurricular Student Event

Participants

A select group of instructors and students from the English Department

Time: March 26, 2025
Place: English Department Halls

Activity link:
<https://web.facebook.com/share/p/1C7bs7eFkC/>

Objectives:

This activity aims to train students in the skills of dialogue and discussion on various topics and issues. Each session focuses on a specific topic selected for discussion to develop their language skills, such as speaking and listening.

Additionally, it seeks to boost their self-confidence, foster a spirit of cooperation among them, and encourage mutual support in improving their language abilities.

Scientific Activity – Extracurricular Student Event

The English Department organized a student-led scientific discussion activity titled "Chat with Us." The topic of the fourth session was: **Creativity and the Effects of Our Surroundings.**

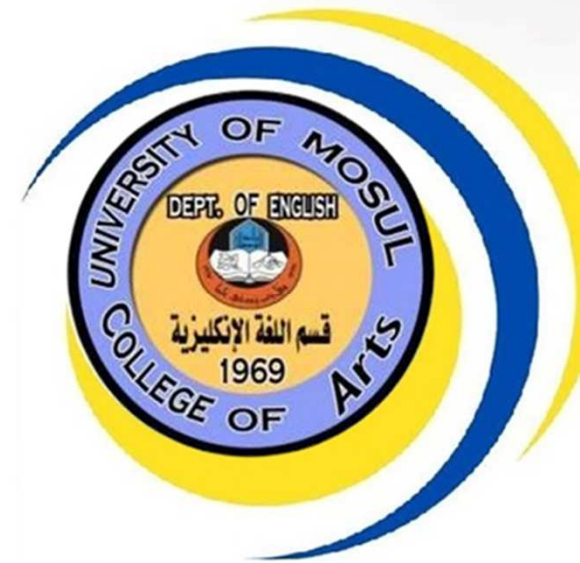

Scientific Activity Extracurricular Student Event

Participants

A select group of instructors and students from the English Department

Time: April 9, 2025
Place: English Department Halls

Activity link:
<https://web.facebook.com/share/p/1LGZeweeXZ/>

Objectives:

This activity aims to train students in the skills of dialogue and discussion on various topics and issues. Each session focuses on a specific topic selected for discussion to develop their language skills, such as speaking and listening.

Additionally, it seeks to boost their self-confidence, foster a spirit of cooperation among them, and encourage mutual support in improving their language abilities.

Scientific Seminar – Department of English Language

Scientific Seminar within Continuing Education titled: "Reimagining English: New Approaches and Perspectives in English Language and Literature" organized by the Department of English for the staff and affiliates of the College of Arts.

Scientific Seminar Department of English Language

Lecturers

A select group of instructors from the English Department

Time: April 20, 2025
Place: English Department Laboratory

Activity link:
<https://web.facebook.com/share/p/12FSjfVP5vV/>

Objectives:

The seminar aimed to explore recent developments in the study of English language and literature through new approaches and perspectives aligned with contemporary linguistic and critical literary theories, as well as interdisciplinary methods, reshaping our understanding of English and its literary texts.

A Scientific Visit:

Zakho University, College of Languages, English Department , Zakho, Iraq.

A scientific visit to Zakho University – College of Humanities – Department of English – Duhok, Iraq.

A Scientific Visit:

Zakho University, College of Languages, English Department , Zakho, Iraq.

Participants

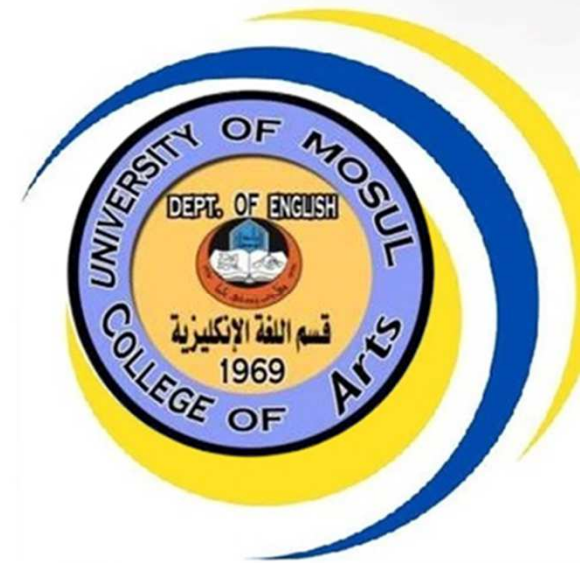

A select group of instructors and students from the English Department

Time: April 22, 2025

Place: University of Zakho – Duhok Province

Activity link:

<https://www.facebook.com/share/p/1DMZsjvzNp/>

Objectives:

The visit aimed to introduce the students to the English Department at the College of Humanities, Zakho University, to explore the laboratories and visit the college library to benefit from the available resources, as well as to promote scientific, linguistic, and cultural exchange between the students of the two departments.

Assessment Exam – Twinning Program with Al-Hadbaa University

Conducting the joint exam for English Department students – College of Arts (University of Mosul and Al-Hadbaa University)

Objectives:

The joint exam aims to unify the academic standards between the English Departments at both universities and to enhance the quality of academic assessment by adopting standardized models that reflect the required learning outcomes.

This ensures fairness and objectivity in student evaluation and strengthens their scientific and linguistic competencies.

Assessment Exam Twinning Program with Al-Hadbaa University

Participants

**The English Departments at the
College of Arts, University of Mosul
and University of Al-Hadba**

Time: April 23 and 27, 2025

**Place: English Departments, College of Arts
(University of Mosul and Al-Hadbaa University)**

Activity link:

<https://web.facebook.com/share/p/1Hs7tLw9st/>

Assessment Exam – Twinning Program with Al-Hadbaa University

A delegation of instructors from the Department of English participated in the joint exam with the corresponding department at Al-Hadbaa University.

Assessment Exam Twinning Program with Al-Hadbaa University

Participants

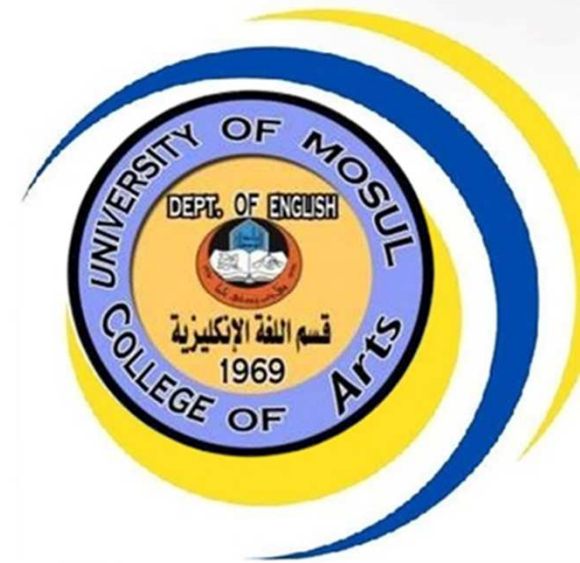

**The English Departments at the
College of Arts, University of Mosul
and University of Al-Hadba**

Time: April 23 and 27, 2025

**Place: English Departments, College of Arts
(University of Mosul and Al-Hadbaa
University)**

Activity link:

<https://web.facebook.com/share/p/18V73dTryc/>

Objectives:

The joint exam aims to unify academic standards between the English departments at both universities and to enhance the quality of academic assessment by adopting standardized models that reflect the required learning outcomes.

This approach ensures fairness and objectivity in student evaluation while strengthening their academic and language competencies.

Scientific Activity –
Extracurricular Student Event

First-year students of the Department of English participated in a dialogue with Penn State University, USA, as part of the WINC (World in Conversation) program.

Scientific Activity
Extracurricular Student Event

Participants
A select group of professors from the English Department

Time: April 24–25, 2025
Place: Zoom Platform

Activity link:
[<https://web.facebook.com/share/p/1By4VSaCdy/>](<https://web.facebook.com/share/p/1By4VVSaCdy/>)

Objectives:

The aim of the participation was to enhance students' intercultural communication skills and broaden their intellectual horizons through dialogue with international students on various global issues within an interactive environment.

Workshop – For Graduates

A scientific workshop, in collaboration with the Qualification and Employment Unit at the College of Arts, entitled “CV Writing Skills in Arabic and English” for graduates.

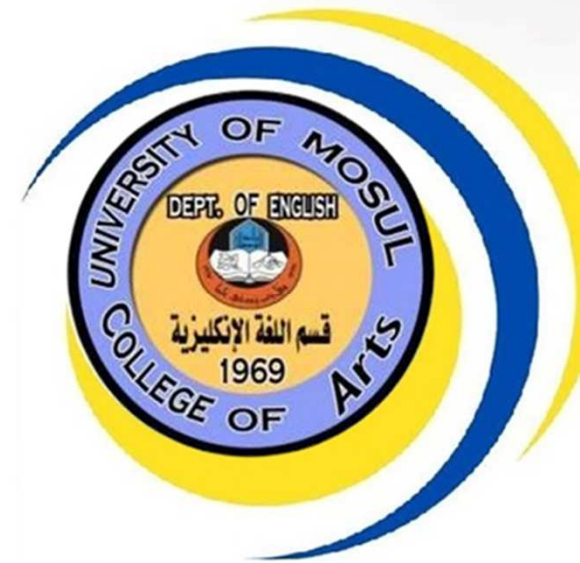

Workshop – For Graduates

Lecturers

A select group of professors from the English Department

Time: April 27–28, 2025
Place: Al-Salam Hall, College of Arts

Activity link:

Objectives:

The activity aimed to train graduates on how to write effective CVs and conduct job interviews, preparing them for successful entry into the job market.

Academic Visit University of Duhok / Duhok

Participants

A select group of instructors and students from the English Department

Time: April 29, 2025
Place: University of Duhok – Duhok Province

Activity link:
<https://www.facebook.com/share/p/12KkZyTDD6g/>

Objectives:

The visit aimed to introduce the students of the Department of English at the College of Arts, University of Duhok, to the phonetics laboratories.

Additionally, it included a visit to the college library to benefit from the available resources and to promote academic, linguistic, and cultural exchange between the students of the two departments.

Academic Visit – University of Duhok / Duhok

An academic visit to the University of Duhok — College of Languages, Department of English — Duhok, Iraq.

Scientific Activity – Extracurricular Student Event

The Department of English organized a student-centered academic dialogue activity titled “Chat with Us. Topic of the fifth session: **“The Feeling of Belonging.”**”

Scientific Activity Extracurricular Student Event

Participants

A select group of professors and students from the English Department and the Translation Department

Time: April 30, 2025
Place: English Department Halls

Activity link:
<https://web.facebook.com/share/p/1BNjXRqVzE/>

Objectives:

This activity aims to train students in the skills of dialogue and discussion on various topics and issues. Each session focuses on a specific topic selected for discussion to develop their language skills, such as speaking and listening.

Additionally, it seeks to boost their self-confidence, foster a spirit of cooperation among them, and encourage mutual support in improving their language abilities.

Scientific Activity – Extracurricular Student Event

The Department of English at the College of Arts organized a scholarly activity for master's students in language titled **“Pragmatics Research Exhibition.”**

Scientific Activity Extracurricular Student Event

Participants

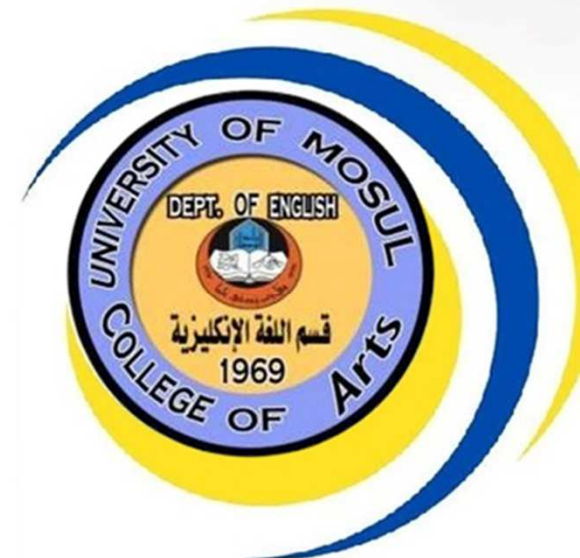

A selected group of professors and postgraduate students in the English Department

Time: May 7, 2025

Place: Graduate Studies Hall, English Department

Activity link:

<https://web.facebook.com/share/p/18acw6i37m>

Objectives:

The activity aimed to enable students to present their scientific research on pragmatics in the form of scientific posters and to deliver oral presentations in both English and Arabic.

Scientific Activity – Extracurricular Student Event

The English Department held a scientific interactive activity (non-classroom student activity) titled "Chat with Us."

The topic of the sixth session was "**Confidence.**"

Scientific Activity Extracurricular Student Event

Participants

A selected group of instructors and first-year students in the English Department

Time: May 14, 2025
Place: English Department Halls

Activity link:
<https://web.facebook.com/share/p/1Fg88MhYEy/>

Objectives:

This activity aims to train students in asking questions, engaging in dialogue, and discussing various topics and issues. For each session, a specific topic is chosen to help develop their language skills such as speaking and listening.

Additionally, it seeks to boost their self-confidence, foster a spirit of cooperation among them, and encourage mutual support in developing their language abilities.

Scientific Visit – University of Mosul Museum

Scientific visit to the University of Mosul Museum with freshmen.

Scientific Visit University of Mosul Museum

Participants

A select group of instructors and freshmen in the English Department

Time: May 14, 2025
Place: Mosul University Museum

Activity link:
<https://www.facebook.com/share/p/1CNw9ESdw9/>

Objectives:

This visit aims to provide an interactive environment that helps students practice English in a real scientific context (contextual English or English in everyday situations).

By observing the preserved specimens and discussing them, students will be able to expand their scientific vocabulary, improve their speaking and descriptive skills, and develop their ability to ask and answer questions in English. This enhances their language learning in an applied and engaging framework.

Scientific Activity – Extracurricular Student Event

The English Department at the College of Arts organized a scientific activity for master's students in linguistics titled **"Exhibition of Sociolinguistics and Discourse Analysis Research."**

Scientific Activity Extracurricular Student Event

Participants

A selected group of professors and postgraduate students in the English Department

Time: May 21, 2025
Place: Corridors of the English Department

Activity link:
<https://www.facebook.com/share/p/196qJ9iyLo/>

Objectives:

The activity aimed to enable students to present their scientific research in the subjects of Sociolinguistics and Discourse Analysis in the form of scientific posters and to deliver oral presentations in both English and Arabic.

Scientific Activity – Extracurricular Student Event

The English Department held a scientific interactive activity (non-classroom student activity) titled "Chat with Us."

The topic of the seventh session was "Bullying on Campus."

Scientific Activity Extracurricular Student Event
