College of Arts / Department of Turkish Language / For the Academic  
Year 2022-2023**

**Review of Higher Education Institutions' Performance (Review of the  
Academic Program)**

**First: Academic Program Description**

This academic program description provides a summary of the most important characteristics of the program and the expected learning outcomes that students should achieve, demonstrating whether they have maximized the available opportunities. It includes a description of each course within the program.

1. **Educational Institution:** University of Mosul - College of Arts - Department of Turkish Language
2. **University Department/Center:** Department of Turkish Language
3. **Academic Program Name:** Bachelor's in Turkish Language and Literature
4. **Final Degree Name:** Bachelor's in Turkish Language
5. **Study System:** Annual system for the first three stages + semester system for the fourth stage
6. **Accreditation Program:** [Details not provided]
7. **Other External Influences:** [Details not provided]
8. **Date of Description Preparation:** [Details not provided]

**9. Academic Program Objectives:**

- a. To understand the Turkish language in terms of language, literature, culture, and civilization.
- b. To prepare graduates and develop their competencies to pursue higher studies in the specialty.
- c. To interact with contemporary cultures, knowledge, and experiences, and establish bridges of human communication with this contemporary reality.
- d. To graduate highly educated and qualified personnel.
- e. To encourage high-quality scientific research and motivate students and faculty members to present new ideas.

**10. Required Learning Outcomes, Teaching, and Assessment**

**A. Knowledge and Understanding**

- **A1.** Students should be able to adopt new scientific thinking methods to face difficulties.
- **A2.** Adopting appropriate methodological thinking methods through their studies in the Turkish language and literature.

### **B. Subject-Specific Skills**

- **B1.** Developing students' linguistic and literary skills.
- **B2.** Acquiring the skills to teach the Turkish language in middle and high schools.

### **Teaching and Learning Methods:**

- Theoretical, practical, and applied lectures.
- Daily assignments and discussions.

### **Assessment Methods:**

1. Written tests to determine students' strengths and weaknesses.
2. Considering activities, performance, and correct linguistic proficiency free from errors.
3. Exams, tasks, daily assignments, discussions, laboratory reports, and graduation projects.

### **C. Thinking Skills**

- **C1.** Scientific research skills.
- **C2.** Deepening students' methodological awareness.

### **Teaching and Learning Methods:**

- Lectures, scientific experiments, applications, homework, and scientific discussions.

### **Assessment Methods:**

- Various educational activities (specialized wall publications in language and literature).
- Exams, tasks, daily assignments, discussions, laboratory reports, and graduation projects.

### **D. General and Transferable Skills (other skills related to employability and personal development)**

- **D1.** Ability to work in a multidisciplinary team.
- **D2.** Ability to communicate constructively.

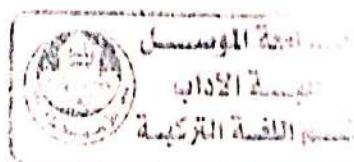

### Teaching and Learning Methods:

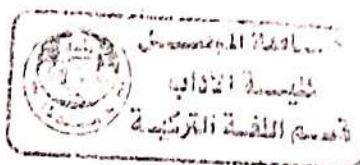

1. Presentation methods using data shows.
2. Presentation and discussion of the material

### 11. Program/Course Structure

12. Personal Development Planning for Faculty Members:

13. Contributing to the development of the proficiency of teaching staff in the department in line with the advancement of humanities and technological sciences.

14. Contributing to the utilization of various skills and the application of software programs that rely on the availability and use of various technologies.

15. Contributing to supplying universities, colleges, and various scientific institutions with scientifically qualified graduates holding a bachelor's degree.

Non-Classroom Activity:

- Various educational activities (specialized wall bulletins in language and literature) for students.

13. Admission Criteria (Establishing regulations related to enrollment in college or institute):

- The applicant must have obtained a secondary school certificate in its scientific (biological and applied) or literary branches.

Central admission through the Ministry of Higher Education and Scientific Research.

14. Important Sources of Information about the Program:

- Various Turkish sources related to language and literature.
- The Student Guide for Central Admission prepared by the Ministry of Higher Education and Scientific Research.

### University of Mosul – College of Arts – Department of Turkish Language and Literature – First Year
