visit Humanity For the house Orphans...

As part of its annual activities and its endeavor to enhance cooperation with state departments and serve the community, the Turkish Language Department at the Faculty of Arts organized a field visit to the orphanage on the left side, on Sunday April ٢٦, ٢٠٢٦.

This visit was attended by a number of professors from the department, with the aim of learning about the reality of the orphans residing in the home, and identifying the nature of the services provided to them and the level of care available.

This initiative falls within the Faculty of Arts' efforts to consolidate human values and enhance direct communication with community institutions, which contributes to supporting the most needy groups and consolidating the spirit of social responsibility.
