8. Course Objectives

Course Objectives

The principal aim of this course is to provide the third-year students of knowledge of the poetry of the late eighteenth and nineteenth centuries. In addition to both poetry of these two periods, the course gives the stude an idea about the intellectual atmosphere at that time. The richness of poetry of these schools increases the students' knowledge of the langu of poetry in particular and English language in general. It also develops the analytical and critical ability further.

9. Teaching and Learning Strategies

Strategy

- Method of explanation done by the teacher using English language
- Using methods of teaching by videos, pictures, voice recordings, etc.

Name: Assistant Prof. Fadi Butrus Karomi Email: <u>fadi_butrus@uomosul.edu.iq</u>

8. Course Objectives

Course Objectives

This course is designed to enable undergraduate students to distinguish between the 16th C. and 17th C. Poetry. The 16th C. poetrepresented by the initiation of the Petrarchan (Italian) sonnet till the adopting of Shakespearean (English) sonnet. In the 17th c. important English schools of poetry appeared which are the school of John Donne and the school of Ben Jonson. The followers of schools refused the Elizabethan norms of poetry and were involved with philosophical and witty types of poetry.

9. Teaching and Learning Strategies

Strategy

This course will enhance and develop the students' knowledge about the historical periods of English Literature, 16th, 17th centuries and the trends, and schools that initiated during that particular period.

Students will be able to develop moral considerations and increase the human good side and revive actively their human conscience to over upon all kinds of evilness of life and its attractions. They will be able to distinguish between good and evil, positive and negative, mora immoral, sacred and damned as well as will enhance positive opinions towards the civil rights of women especially in patriarchal domin societies. In addition, the students will be able to communicate fluently and enlarge their vocabulary. Moreover, they will obtain do information on various topics related to the historical, political, social, economic and even religious' fields
