

University of Mosul
College of engineering
Mechanical department

Computer lab 2

Laboratory Aims:

A laboratory dedicated to lectures on computer-based engineering applications for the fourth and third stage, equipped with computers and projectors.

Main: laboratory equipment:

1. Desktop computers.
2. projector.

Experiments:

Engineering applications on the LANCES program for the fourth stage

Lab workers staff:

No.	name	Functional tasks	Certificate
.1	Dr. Muyasir Idris Ismail	Laboratory Supervisor	PhD in Mechanical Engineering
.2	Enas Khalid Daoud	Laboratory administrator	Bachelor of Architecture
3	Dr.Omar Muhammad Hamdoun	fighting the fourth stage	PhD in Engineering
4	M.I Eman Muhammad Ali	fighting the fourth stage	Master degree in Mechanical Engineering
