

University of Mosul
College of engineering
Mechanical department

Postgraduate Research Laboratory

Laboratory Aims:

A laboratory dedicated to graduate students research and conducting practical experiments in it .

Main laboratory equipment:

1. Desktop computers.
2. Ultrasonic Processor.
3. IKAC-MAG HS7
4. Nitrogen gas bottle.

Experiments:

Research experiences for postgraduate students.

Lab workers staff:

No.	name	Functional tasks	Certificate
.1	Dr. Ziad Muhammad	Laboratory Supervisor	PhD in Mechanical Engineering
.2	Dr. Omar Dhannoun Jumaa	Laboratory Supervisor	PhD in Mechanical Engineering
3	Enas Khalid Daoud	Laboratory official	Bachelor of Architecture

4	A.I zena Maysar	Graduate Studies	Master degree in Mechanical Engineering
5	Dr. Omar Salahal deen	Graduate Studies	PhD in Mechanical Engineering
