

**Course materials for the Master's program in the Computer Engineering
Department for the academic year 2025-2026**

Study materials for the first semester 2026-2025	
Course Title	No
Advanced Computer Networks	1
Advanced Computer Architecture	2
Wireless Networks	3
Computer Graphics and Computer Vision	4
VLSI and Dependable Systems	5
Deep Neural Networks	6
English Language	7

Study materials for the second semester 2026-2025	
Course Title	No
Cybersecurity Systems	1
Advanced Digital Signal Processing	2
Internet of Things and Embedded Systems	3
Mobile Communication Systems and Applications	4
Microprocessor Design and Applications	5
Methodology of Scientific Research	6
