

The Third Annual Festival of Sustainable Development

University of Mosul
Sustainable Development Festival
21-24, April 2025

Project Name: Natural skincare project

Highlights:

- Raise health awareness in the community by disseminating information about the benefits of natural skincare in improving public health.
- Adopt a responsible consumption and production approach by cultivating desirable and health-promoting natural skincare and sustainably directing their use.

College: Pharmacy

Sustainability Goals(17-1):

Goal 3: Good Health and Well-being

Goal 12: Industry, Innovation and Infrastructure

Funding Information: This project was part of the 3rd annual Festival of Sustainable Development (SDF) (project No. 3/3) supported by the University of Mosul (UOM).
