comments :

1. A mark √ is placed in front of the research if it is within a Scopus or Web of Science container or a research published in an Iraqi journal.
2. The first page of the research is attached.
3. Regarding the researcher's name in English, some researchers use an abbreviated name, for example the first letters of the name, so please write the name used in scientific publishing.
4. If the research was published in cooperation with foreign researchers, mention (the name of the Iraqi and foreign researcher, the title of the research, the name of the journal, the year of publication, the type of journal), which is indexed in Scopus.
