2024**

Prepared by the Quality Assurance  
and Performance Evaluation Division  
College of Law / University of Mosul

## THE INTRODUCTION

**The College of Law at the University of Mosul has been keen to develop the capabilities and skills of its graduates to enable them to apply and compete for job opportunities in both the public and private sectors through a set of training and qualification programs during and after graduation. It also opens up horizons of cooperation with the public and private sectors with the aim of marketing them, which was embodied by the establishment of the Scientific and Cultural Forum for Graduates of the College of Law for the academic year 2023-2024. The Scientific and Cultural Forum for Graduates of the College of Law/University of Mosul is of great importance to the graduates, as it provides them with a platform to communicate and exchange experiences with their colleagues and professors. It has contributed to the development of their research and innovation skills, and enhanced their social responsibility. The forum has also opened new horizons for law graduates in the fields of entrepreneurship and innovation, contributing effectively to preparing them for the labor market. And God is behind the intention .**
