Iraqi National Qualifications Framework (INQF) Matrix for the Bachelor of Laws Program

The Bachelor of Laws (LL.B.) Program at the College of Law / University of Mosul is aligned with the learning levels and competencies required by the Iraqi National Qualifications Framework through the integration of legal knowledge, practical skills, and professional values.

Learning Domain	Program Learning Outcomes / Graduate Outcomes
Knowledge and Understanding	Demonstrate knowledge and understanding of fundamental legal principles, theories, and rules, the components and institutions of the legal system, and the relationship between law, society, and the state. (GO1, GO8)
Skills	Analyze legal texts and rules, interpret them, conduct legal research, use legal sources, identify and analyze legal problems, and propose appropriate solutions. (GO2, GO4, GO5)
Application	Apply legal rules and principles to practical facts and cases, prepare legal work, research, and memoranda, and use digital technologies in legal research and learning. (GO3, GO4, GO10)
Values and Responsibility	Demonstrate commitment to integrity, professional ethics, the rule of law, human rights, justice, and equality, together with effective communication, teamwork, lifelong learning, and social responsibility. (GO6, GO7, GO8, GO9)

Knowledge and Understanding: The graduate possesses comprehensive knowledge and understanding of fundamental legal principles, theories, and rules, as well as legal systems and institutions, enabling the graduate to interpret legal issues and understand their different dimensions.

Skills: The graduate applies analytical, reasoning, interpretive, and legal research skills and uses legal sources systematically to identify and analyze legal problems and reach appropriate solutions.

Application: The graduate employs legal knowledge and skills in dealing with practical cases and facts, preparing legal research, memoranda, and legal work, and making use of modern technologies in research and learning.

Values and Responsibility: The graduate demonstrates commitment to professional ethics, integrity, the rule of law, human rights, justice, and equality; works effectively with others; and continues to develop professional knowledge and skills.

Course–Program Learning Outcomes Matrix

Matrix key: I – Introduce (the course introduces and establishes the outcome); R – Reinforce (the course reinforces and develops the outcome); M – Master (the course achieves the outcome at an advanced level). In the first stage, the principal emphasis is on I and R because the student is at a foundational level; full mastery of all outcomes is

expected to develop progressively in later stages.
