UOM offers international students a dynamic undergraduate learning environment through diverse academic programs, modern facilities, and an inclusive educational experience. Through the Study in Iraq initiative, students can access high-quality education and become part of a vibrant academic community.

WELCOME TO UOM

Welcome to the University of Mosul (UOM)

UOM is one of Iraq's leading public universities with a rich history of academic excellence, innovation, and community service. Since its establishment, UOM has been committed to providing high-quality education and preparing graduates who contribute to the development of society and the advancement of knowledge.

Through the Study in Iraq program, UOM opens its doors to international students from around the world, offering a supportive and inclusive environment where diverse cultures meet and ideas thrive.

We are delighted to welcome you to our vibrant academic community and look forward to supporting you on your journey toward a bright and successful future.

Quality Education

A wide range of undergraduate programs delivered by experienced faculty.

Global Community

Join students from different countries and build lifelong connections.

Diverse Programs

Explore various disciplines designed to meet modern academic and career goals.

Student Support

Comprehensive support services to help you succeed academically and personally.

ABOUT UOM

University of Mosul (UOM)

Founded in 1967, the University of Mosul (UOM) is one of Iraq's oldest and most prestigious public universities. Located in the historic city of Mosul, UOM has a proud legacy of academic excellence, research, and community engagement.

UOM comprises a wide range of colleges and institutes offering diverse undergraduate programs in scientific, engineering, medical, humanities, and artistic disciplines.

The university is committed to providing quality education, fostering innovation, and preparing students to become leaders who contribute to the development of society and the global knowledge economy.

With modern facilities, experienced faculty, and a supportive learning environment, UOM continues to advance its mission of empowering students and building a better future.

Established
1967

Status
Public University

Students
Tens of thousands of undergraduate students from across Iraq and beyond.

To deliver quality education, support research and innovation, and serve the community.

WHY STUDY AT UOM?

UOM is committed to providing a high-quality undergraduate education that prepares students for successful careers and meaningful lives. Our academic programs, supportive environment, and modern facilities make UOM an excellent choice for international students.

Academic Excellence

Qualified faculty, accredited programs, and a strong focus on academic quality and innovation.

Wide Range of Programs

Diverse undergraduate programs in scientific, medical, engineering, and humanities disciplines.

International Environment

A welcoming and inclusive community that celebrates diversity and encourages cultural exchange.

Modern Facilities

Advanced laboratories, libraries, and learning resources that support student success.

Student Support Services

Comprehensive support including academic advising, accommodation, health care, and career guidance.

Prime Location

Located in the historic city of Mosul, UOM offers a safe, affordable, and culturally rich study experience.

UNDERGRADUATE ADMISSION REQUIREMENTS

UOM welcomes talented and motivated international students from around the world to join our undergraduate programs. Admissions are based on academic merit, and applicants must meet the general requirements and specific criteria for their desired field of study.

Through the Study in Iraq Program, international students can apply for fully funded, partially funded, or self-funded study options at UOM.

GENERAL REQUIREMENTS

- ✓ The applicant must be a citizen of a country other than Iraq.
- ✓ The applicant must not hold Iraqi nationality, nor have Iraqi parents.
- ✓ The applicant must have a valid high school certificate or its equivalent.
- ✓ The minimum grade average varies according to the specialization (see table).
- ✓ The applicant must be in good health and provide a medical fitness certificate.
- ✓ The applicant must comply with the rules and regulations of the Study in Iraq Program.
- ✓ A written undertaking must be submitted following the official format.

MINIMUM AVERAGE REQUIREMENTS

The minimum academic average required for undergraduate admission:

Field of Study	Minimum Average
Medicine	90%
Dentistry & Pharmacy	85%
Engineering, Nursing, Health Technologies	70%
Science & Humanities Disciplines	65%

Percentages are calculated based on the high school certificate or its equivalent.

ELIGIBLE STUDENTS

International students from all countries are eligible to apply. Applications are open to both male and female students for all undergraduate specializations available at UOM.

ADMISSION CHANNELS

Students can apply through one of the following financial channels:

Fully Funded Scholarship

(Tuition fees, accommodation, and entry visa covered).

Partially Funded Scholarship

(50% of tuition fees covered according to regulations).

Self-Funded (Full tuition fees paid by the student).

APPLICATION PROCESS

All applications must be submitted online through the official "Study in Iraq" electronic platform.

APPLICATION PROCESS

Your Journey to UOM Starts Here

UOM has made the application process simple, transparent, and fully online to ensure a smooth experience for international students.

All applications for undergraduate programs under the Study in Iraq Program must be submitted through the official "Study in Iraq" electronic platform.

APPLICATION STEPS

- **1 CREATE AN ACCOUNT**
Visit the official "Study in Iraq" platform and create a personal account with a valid email address.
- **2 COMPLETE THE APPLICATION FORM**
Fill in all required personal, academic, and contact information accurately.
- **3 UPLOAD REQUIRED DOCUMENTS**
Upload scanned copies of all required documents in the specified format.
- **4 CHOOSE PROGRAMS**
Select your preferred undergraduate program(s) and specialization(s) according to your academic background and interests.
- **5 REVIEW AND SUBMIT**
Review your application carefully before submitting. Once submitted, you will receive a confirmation message.
- **6 TRACK YOUR APPLICATION**
You can log in to the platform at any time to track your application status and updates.

ONLINE APPLICATION

All undergraduate applications must be submitted online through the official "Study in Iraq" electronic platform.

APPLICATION PERIOD

The application period is announced annually on the official platform. Please check the website for exact dates.

IMPORTANT NOTE

Ensure that all information and documents provided are correct and complete. Incomplete applications may be rejected.

NEED HELP?

For any inquiries or assistance, please contact our support team through the platform.

UNDERGRADUATE ACADEMIC PROGRAMS

UOM offers a wide range of undergraduate programs in various disciplines. Our programs are designed to provide students with the knowledge, skills, and practical experience needed to excel in their chosen careers and contribute to society.

All programs are taught by qualified faculty members and supported by modern facilities and advanced learning resources.

SCIENCE

Programs that build a strong foundation in natural sciences and prepare students for research and innovation.
