University rankings 2025: key insights

- **Oxford** holds on to the top spot for the ninth consecutive year, bolstered by significant improvements in industry engagement and teaching
- **MIT** rises to second place, overtaking Stanford, which drops to sixth
- **China** edges closer to the top 10, further boosting its global research influence
- **Australia's** top five universities all slip down the rankings, due to declining reputation and international outlook
- **Three new countries** join the top 200 - Brazil, Saudi Arabia and the United Arab Emirates - highlighting the rise of emerging markets in higher education
