Below is a list of best universities in Iraq ranked based on their research performance in Physics. A graph of 803K citations received by 96.7K academic papers made by 28 universities in Iraq was used to calculate publications' ratings, which then were adjusted for release dates and added to final scores.

We don't distinguish between undergraduate and graduate programs nor do we adjust for current majors offered. You can find information about granted degrees on a university page but always double-check with the university website.

EduRank.org is an independent metric-based ranking of 14,131 universities from 183 countries. We utilize the world's largest scholarly papers database with 115,295,786 scientific publications and 2,964,008,315 citations to rank universities across 246 research topics. In the overall rankings we add non-academic prominence and alumni popularity indicators. Always check official university websites for the latest enrollment information.
