

	Physical	Analytical	Organic	Biochemistry	Industrial	Inorganic
Sunday 3 / 5 / 2026	Electrochemical methods of analysis	Electrochemical methods of analysis	Named Reactions	Metabolic Pathways	Synthetic Fuel	Organometallic Chemistry
Monday 4 / 5 / 2026	English	English	English	English	English	English
Wednesday 6 / 5 / 2026	Research Methodology	Research Methodology	Research Methodology	Research Methodology	Research Methodology	Research Methodology
Sunday 10 / 5 / 2026	Surface Chemistry	Organic Functional group Analysis	Spectroscopy	Biotechniques	Biopolymer	Spectroscopy
Wednesday 13/5/2026	Molecular Interactions	Molecular Emission, Atomic Absorption & Laser	Heterocyclic Compounds	Enzymes & Hormones	Nanotechnology	Transition Metals
Sunday 17/5/2026	Nanotechnology	Hyphenated Techniques	Organic Synthesis	Clinical Biochemistry	Material Science	Coordination Chemistry
Wednesday 20/5/2026	Computational Chemistry	Kinetic Methods of Analysis	Stereochemistry	Nanoparticles in Biochemistry	Bituminous Materials	X-Ray

ملاحظات:

- 1- يبدأ الامتحان الساعة (9) صباحاً.
- 2- التزام جميع الطلبة بالتعليمات والإرشادات التربوية الموجودة في القاعات الامتحانية وكذلك الموجودة في ظهر الدفتر الامتحاني.

رئيس اللجنة الامتحانية

	Physical	Analytical	Organic	Biochemistry	Industrial	Inorganic
Thursday 30 / 4 / 2026	-----	Biosensors	-----	Biotechnology	-----	-----
Sunday 3 / 5 / 2026	Advanced Spectroscopy	-----	Protective Groups	Metabolic Pathways (مقاصة)	Advanced Petrochemicals	Periodic Table
Monday 4 / 5 / 2026	English	English	English	English	English	English
Tuesday 5 / 5 / 2026	-----	Environmental chemistry	-----	Physiology of Hormones	-----	-----
Wednesday 6 / 5 / 2026	Research Methodology	Research Methodology	Research Methodology	Research Methodology	Research Methodology	Research Methodology
Sunday 10 / 5 / 2026	Statistical Thermodynamics/// Molecular Interactions	Functional group analysis (مقاصة)	Medicinal Chemistry	Biotechniques (مقاصة)	Material Science	Application of Inorganic Biochemistry
Tuesday 12 / 5 / 2026	-----	-----	-----	Vitamins /// Detoxification pathways	-----	-----
Wednesday 13/5/2026	DFT	Chromatography	Natural Products	-----	Chromatography	Coordination Ligands
Sunday 17/5/2026	Nanotechnology /// Advanced Kinetics	Organic reagents	Reaction Mechanisims	Clinical Biochemistry (مقاصة)	Advanced Biopolymer	Pharmaceuticals and Molecular docking of Inorganic chemistry
Tuesday 19/5/2026	-----	-----	-----	Pathology	-----	-----
Wednesday 20/5/2026	Electrode Process	Selective Topics	Reactive Intermediates	-----	Manufacture of Lubricating Oil	Group Theory
Thursday 21/5/2026	-----	-----	-----	Nutrition Diseases	-----	-----
